## Varsity Song Maintains Custom Of Winning

Dispersing spirit amongst the crowd April Bueno, Diana Carrazana, Terri Hernandez, Lori Smith, Tammy Todd, and Beatrice Valadez were the spice of the activities at BPHS

There were many summer practices to prepare for the upcoming school year. Each girl also attended camp in Santa Barbara where they received a superior trophy for their various routines. Two of the squad's members, Diana Carrazana and Terri Hernandez, were nominated to try out for The United Spirit Association Staff

With Terri Hernandez in charge, the girls united as a squad to prepare for many events such as performing at varsity games, organizing pep rallies and pep week, choreographing routines, painting posters, and sponsoring fundraisers.

The squads greatly appreciated their advisor Mr. John Hufferd for his expertise advice in guiding them through their successful year

"This years Varsity Yell Squad was an excellent group. I was very proud to be their head," commented Senior Rhonda Hood.

Head Yell Leader Rhonda Hood did an excellent job of guiding her squad through a successful school year with both unity and organization. The squad consisted of three seniors, Rhonda Hood, Marilyn Baron, and Sybil Roque, and of three juniors, Lissa Johnson, Tina Lafond, and Theresa Downing, whose task was to promote spirit throughout the school.

The girls began their prosperous year with an annual trip to camp. With four days of constant routine work, the girls achieved four superior ribbons which led to the winning of a

superior trophy. They were the first squad in approximately seven years to be honored by bringing a superior trophy back to our campus.

Car washes, suntan oil, pom poms, and spirit ribbons were their major fundraisers which concentrated mainly on costs of supplies, preparing for Homecoming and for their annual banquet at the end of the year.

Pep rallies this year received a mystical touch from both the spirit of the student body and of the pep squad. As quoted from Head Rhonda Hood, "The apathy at our school is decreasing and it was a pleasure cheering for such a spirited school."

J.V. Yell And Song

## Young Squads Express Talent And Enthusiasm

Winning superior awards was only a beginning for the Junior Varsity Song and Yell Squads. Both squads attended cheerleading camp during the month of July in Santa Barbara. Both squads brought back a superior ribbon.

They spent many long hours working together with much enthusiasm to make this year a spirited success! Selling candy ribbons, and sponsoring car washes were just a few fund raisers the squads participated in.

The Junior Varsity cheerleaders also spent much dedicated time cheering at all the J.V. games, painting posters, choreographing routines and cheers, and performing at pep rallies.

Both Junior Varsity squads are capable of performing at the varsity level which aided in the success of promoting Buena Park's School Spirit.

# Spirit Makes It A Colorful Year

School Spirit! No one has it more than our energetic Mascot and Auxiliary Units who added much color to this exciting year. Becky Marocchi, together with the cheer leaders, led the crowds with peppy and enthusiastic cheers and chants at all of the school's functions. Also working very hard, were the Auxiliary Units, led by Seniors Jean Kiraly and Janell Bohannen. They devoted much of their time practicing during the summer and at early morning rehearsals to bring their routine to perfection. And it paid off. They received 1st place at the Silverado Days Parade, and 3rd place at the La Habra Field Show Tournament. Our school simply could not do without them and our talented and spirited Mascot. Thanks to them for their part in helping make this year fantastic!

## Challenging Year Ends For Band

Dedicated! Despite the several setbacks that our Coyote Band faced this year, such as a change in director, the majority of members being underclassmen, and instrumentation problems, they progressed rather well with much devotion and dedication.

Led by Drum Majors Bill Christensen and Brian Glahn, they performed at football games, the Silverado Days Parade, La Habra Field Show Tournament, California Band Review, and at the All Western Band Review. Although competition was tough at this last review and no trophies were brought home, Mr. Lee was quoted as saying, "I was proud to walk alongside the Buena Park High School Band."

When they were not in uniform, our Coyote Band got all fancied up in suits and long dresses and performed at the Fall, Christmas, and Spring Concerts. Thanks to the support from Mr. Lee, the Band Boosters, and the student body, our band had a very fulfilling year, and are looking forward to the future years when they plan on having new uniforms and growing in size.

## Could It Be Magic

# The Memories Will Last Forever

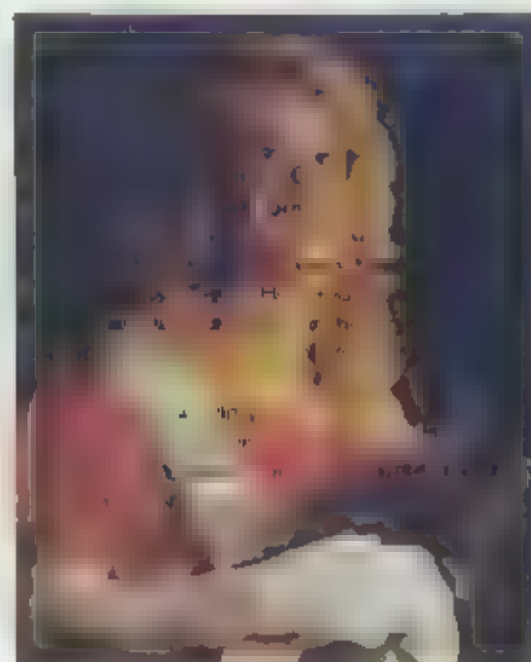

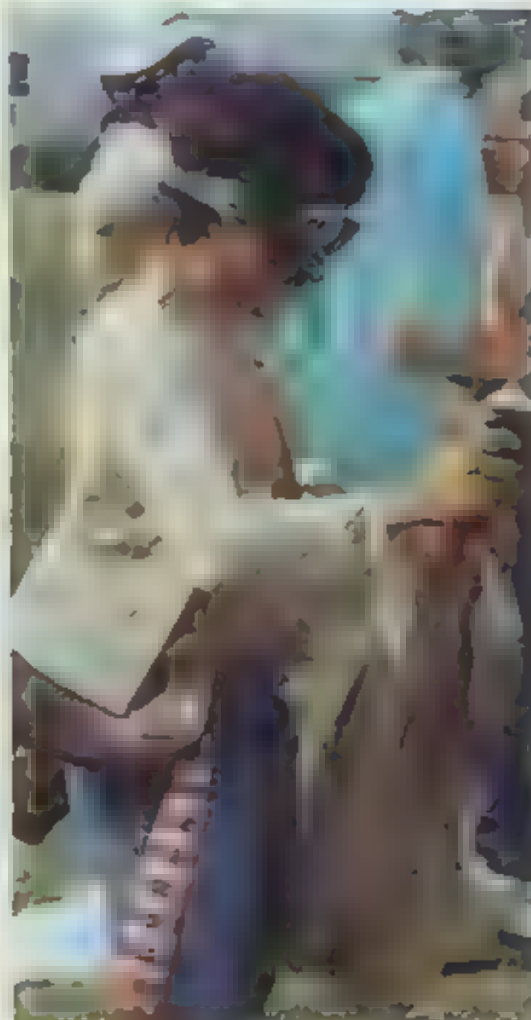

Homecoming at Buena Park has been a tradition filled with beauty and magical mystery. In October of 1982 the attendants of the homecoming court provided the beauty, while the assembly, game, and dance provided the magic and the mystery.

On Monday, October 18th, the lunch time activities ignited an exciting week. Activities with different class members were what brought the school together to make the campus warm and cheerful. Pep squad worked extremely hard to make the pep rally on Friday the best ever. With cheerleaders from the past returning to perform at lunch, the pep rally was a major success.

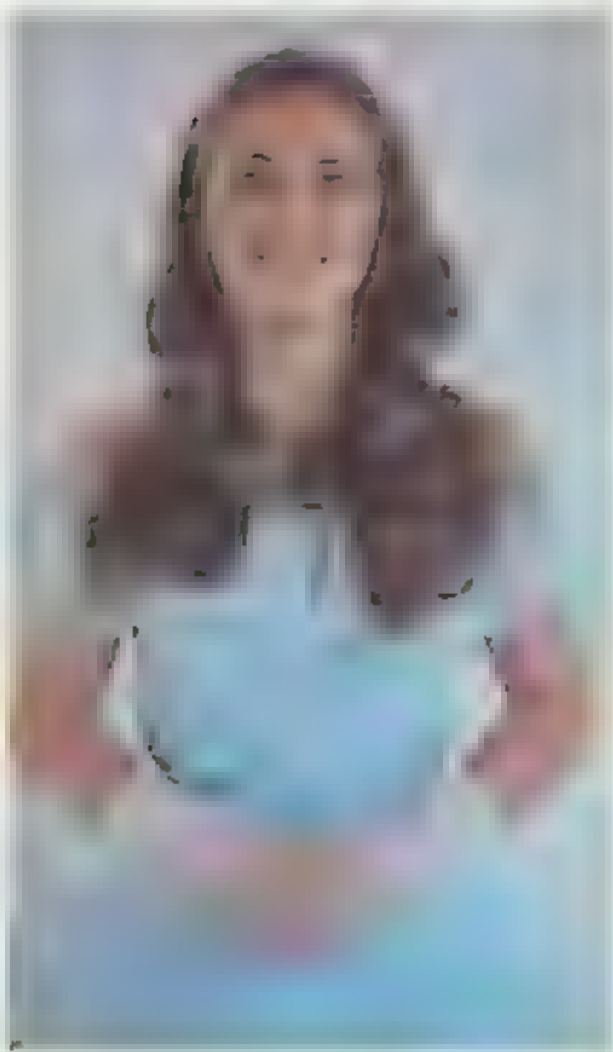

The evening of Friday, October 22, was an evening of intense excitement. The crowd gathered with much enthusiasm to view the twenty-third annual homecoming game. The halftime festivities included the presentation of the 1982 Homecoming court and their escorts. With many spectators waiting to find out who the 1982 queen would be, a mystical sensation fell upon the crowd. Seniors Terri Hernandez, Beatrice Valadez, and Sylvia Hernandez anxiously awaited the results to which would bestow this glamorous honor, and capturing this title was Sylvia Hernandez.

With the theme "Could it be Magic" the 1982 Homecoming dance completed a climatic week of glamour, mystery, and magic.

Los Coyotes 1983

# Yearbook Upholds Tradition Of Excellence

After hours of hard work, dedication, and the pressure of deadlines, Los Coyotes 1983 is complete. And what a book it is, filled with memories of those you loved, (and didn't love), enhanced with just the right captions to make the book all come together perfectly.

But have you ever wondered who it is that puts such a book together? They're the smiling faces in the group picture just below. However, there is more to these journalists than just their smiling faces. These students are creative, tal

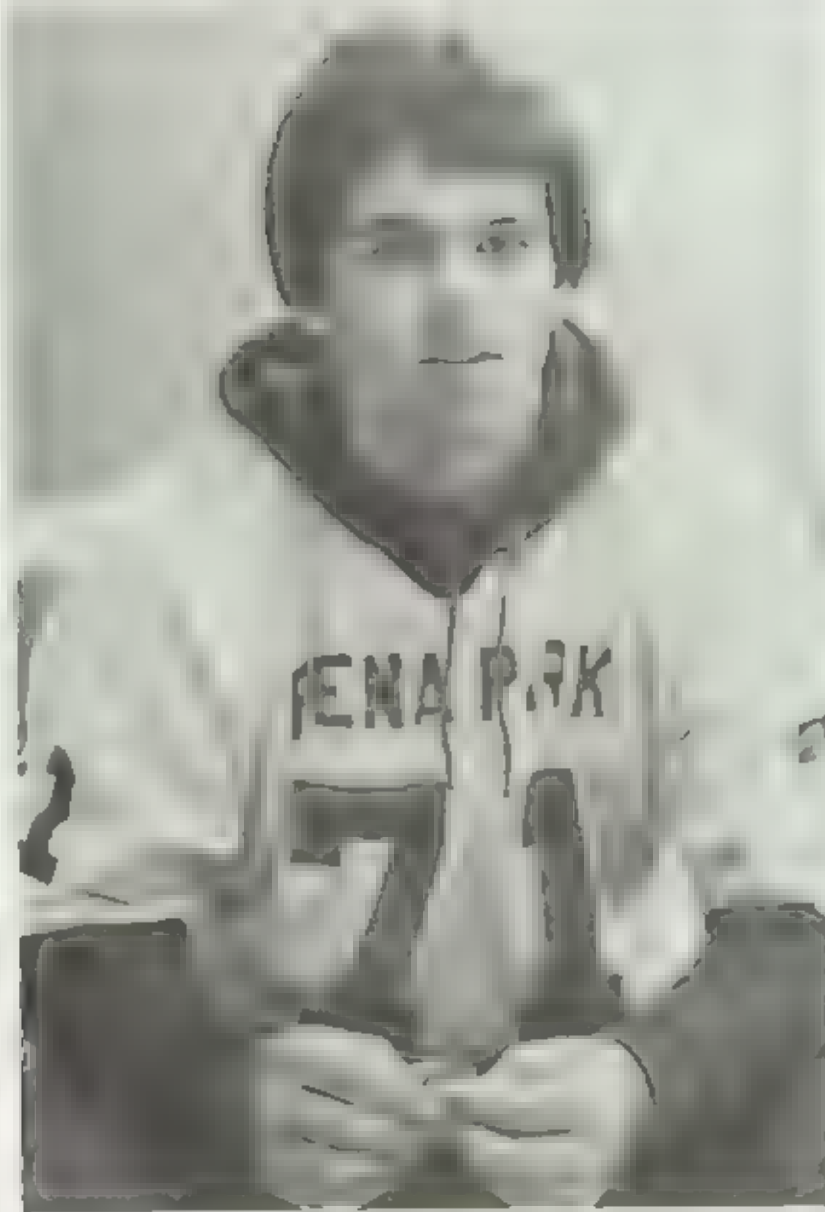

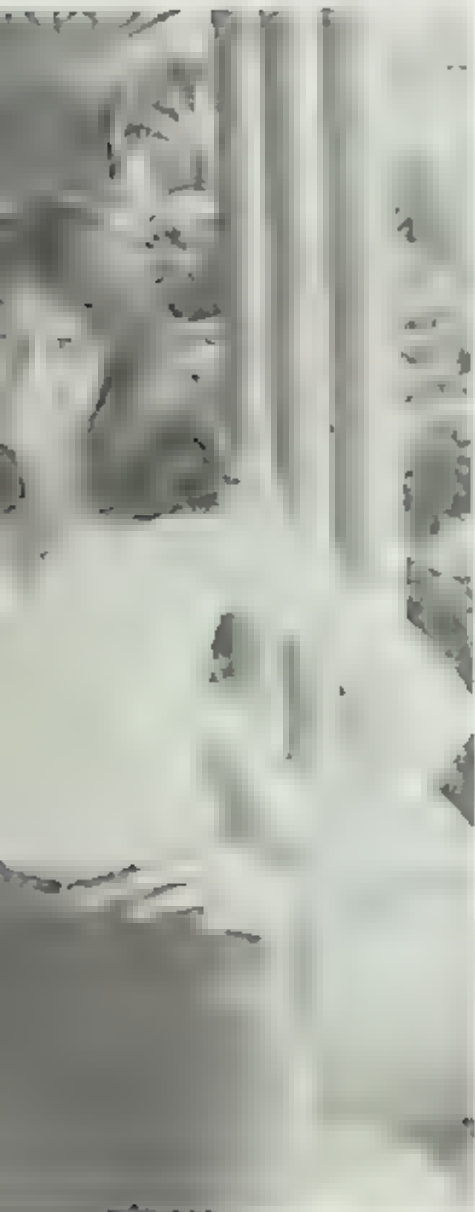

ented, and dedicated to do their very best. They must learn to work as a team, and accept many responsibilities, in order to keep up with the Buena Park tradition of outstanding yearbooks.

This years staff, under the leadership of advisor Jack Orme, and Editor-in-Chief Mike Lafond, were able to uphold this tradition, as the book proudly speaks for itself.

# Paw Prints Leaves Tracks

Once again, with the leadership of advisor Jack Orme and Editor-in-Chief Andy Laurie, this years edition of Paw Prints has proven to be successful in providing students with information concerning student necessities.

By placing the "Letters to the Editor" section in this years paper, the students of Buena Park were able to give supports, criticisms, or opinions on articles written by staff members. By implementing this section, staffers were helped in writing feature stories.

In using new methods in story writing this years paper was a tremendous success. This will surely open doors for a fine 1983-84 Paw Prints Staff

## Senior Film Attacks Campus

# Filmmers Capture Special Moments

With the senior class under the spotlight in a starring role, the 1983 movie production class began filming its new motion picture movie, *Senior Year 1983*. Using Buena Park's campus as the major set, the filmmakers were able to capture and highlight the many eventful moments that occurred throughout the school year.

With producer John Hufferd and directors Stan Bigney, Danny Salinas, John SanAgustin, Michelle Lapierre, Marti Anderson, and April Bueno in charge and keeping in mind some major goals the movie began to roll. Two important goals were stressed for this year's movie. The first was to shorten the film making sure to use only the best of everything. While the second was to maintain a strong sense of continuity. Keeping these goals in mind the crew quickly began filming and editing with much success. Also, to make sure the financial situation was holding up the crew dedicated valuable time to fundraisers such as candy sales and the noon time film festival. In addition to the tasks of filming, editing, and raising money a sound track was also put together in correspondence with the movie. Making sure all goals were reached a high quality film was sure to be accomplished. Due to a dedicated crew, many long hours, and a wonderful cast of characters — the 1983 senior class — *Senior Year 1983* was a major success.

# Organizations Serve BP Students

Two very worthwhile organizations existed on our campus for the sole purpose of serving BP students and helping to better the school. These organizations were the Parent Teacher Student Association (PTSA), and the School Improvement Program (SIP).

This year, the PTSA was responsible for various programs presented by the students. They were the sponsors of the annual Winter Concert in which students from the Drama, Dance, Choir and Band programs all participated. The PTSA was also in charge of the snack bar during many of the athletic events. Finally, all of the stag dances that were held at BP were sponsored and run by the PTSA, providing an entertaining, safe, and inexpensive evening. The dances ranged anywhere from the Howdy Dance to the Sweetheart's Dance, and a dance featuring KROQ disc jockey Richard Blade.

The SIP worked from a different angle. Granted a large sum of money by the state to improve our educational programs and other aspects of student life, they distributed the money in the manner that they felt would best aid the school. Many changes were seen on our campus as a result of this program. A program which was retained by SIP this year was the attendance policies which showed us a drastic reduction in absenteeism. Other things that this group accomplished was the addition of a small gas engine to the agriculture department, and a computer assisted lab with 30 micro-computers. These two groups are deserving of much thanks from the Buena Park family.

# Athletic Clubs Awaken To Acclaim

## Realignment Toughens Entrance Standards

Lettermen's Club and GAA are two clubs that in the past have not had much recognition. These two clubs have been established for quite some time and have never received the attention they deserve.

This past year the lettermen's club has been working extremely hard to change their ways and become more organized and influential in the student body.

Under the direction of Mr. George Giokaris, President Devin Bunch selected a committee capable of setting entrance requirements. The committee consisted of Gary Ledbetter, Tony Minyon, Mike Lafond, and Mark Sundelius. These athletes set standards that every letterman had to achieve in order to be part of the lettermen's club. These requirements will stand sturdy for the rest of the lettermen's history. The qualifications are that a student must achieve a 2.5 grade point average and carry it for the entire semester preceeding entrance. The second rule is that all persons must attend two thirds of all the called meetings. The third and final rule is that all students wishing to take part in the club must attend or participate in one third of all activities having to do with the club.

## GAA Strives For Recognition

In the past GAA has been a little more active than the lettermen's club. Organizing and working at the Sadie Hawkins dance was the major event for the girls club. With president Koreena Minchey working continuously with advisor Ms. Janice Howard the dance was a major success.

This year the GAA representatives have worked extremely hard to change the school's attitude toward girls athletics. Always in the past the girls have not had much recognition in any sports, when the girls did get some recognition, it always seemed to be degrading. So this year the representatives have tried to make the school acknowledge all girls activities.

With a lot of help from all the underclass athletes these two programs can carry out all their expectations. This has been a year of major accomplishments for both GAA and Lettermen's clubs. These rules and requirements are expected to be carried out for the remaining duration of both clubs.

## Dance Entertains With Concert

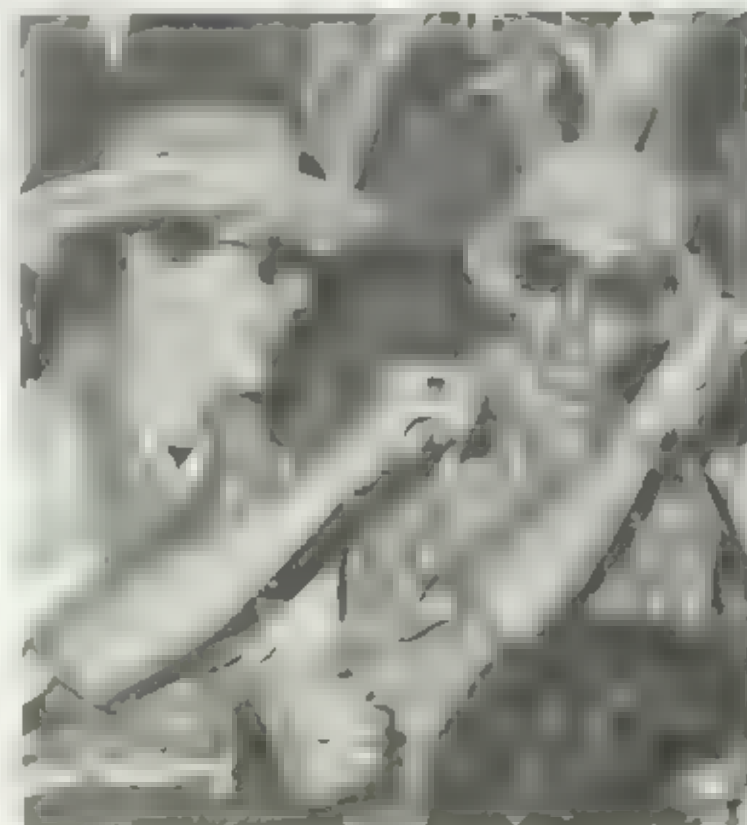

# Small Quantity Presents High Quality

Containing 32 girls out of the usual approximate 45 Buena Park's Dance Production Class had much to look forward to. Together these girls had to work exceptionally hard to do the usual work of many. However, by working very closely and striving for the ultimate goals, the girls mastered their major achievement — Reflections of Imagination. The girls, along with advisor Ms. Sally Thompson, worked whole heartedly, with 175 hours of rehearsals plus numerous hours of personal time, to present the Annual Spring Dance Concert titled Reflections of Imagination.

This year the concert was presented four nights — April 20th thru the 23rd — instead of the usual three nights. All four nights were a success and the performers, as well as the audience, walked away with an overwhelming feeling of satisfaction.

The girls held two candy sales and sponsored a bakesale every other week to raise money for their concert and their end-of-the-year banquet. Throughout the year, the group performed at Silverado Days, Leisure World, Park Royale, Maple School, Calder Jr. High, and the Long Beach Jewish Community Center. This group may have been small, but their performances reflected obvious hard work and a touch of professional quality.

## Pep Week '83

# Creative Themes Stimulate Spirit

As is customary, the freshman class officially began Pep Week with their theme, "Do the Twist in '86." For their break time activity, the freshmen had a bubble gum blowing contest, in which there were several participants. During their pep rally, the freshmen participated in a 50's dancing contest that featured rockabilly music. The freshmen class was awarded the courtesy award, and an award for the most attendance at the basketball game.

The sophomores were next with "Breakout '85." Spirited sophomores dressed as escaped convicts, policeman, and other prison related people. The sophomore pep rally consisted of a bank robbery at the "Bank of Sunny Hills." The sophomores constructed their version of a jailhouse to sit behind. The sophomores claimed the award for the best yell squad.

Next up were the juniors with their theme "Tour number '84. Next stop Hollywood." Many juniors dressed as tourists and some came as their favorite stars. At their pep rally, the juniors took a tour of Movieland Wax Museum and wound up in a huge pie throwing contest. The juniors tied with the seniors for the best pep rally, and best participation. Leigh Shindo was awarded a trophy for her outstanding effort.

Pep Week concluded with the seniors and their theme "B.C. '83". The seniors constructed a huge cave on the quad in which they danced and sang during break. Their pep rally, contained a skit in which the seniors invented the wheel. They concluded by winning six awards, including best break time activity, best theme, best song squad, best decorations, best pep rally, and best participation.

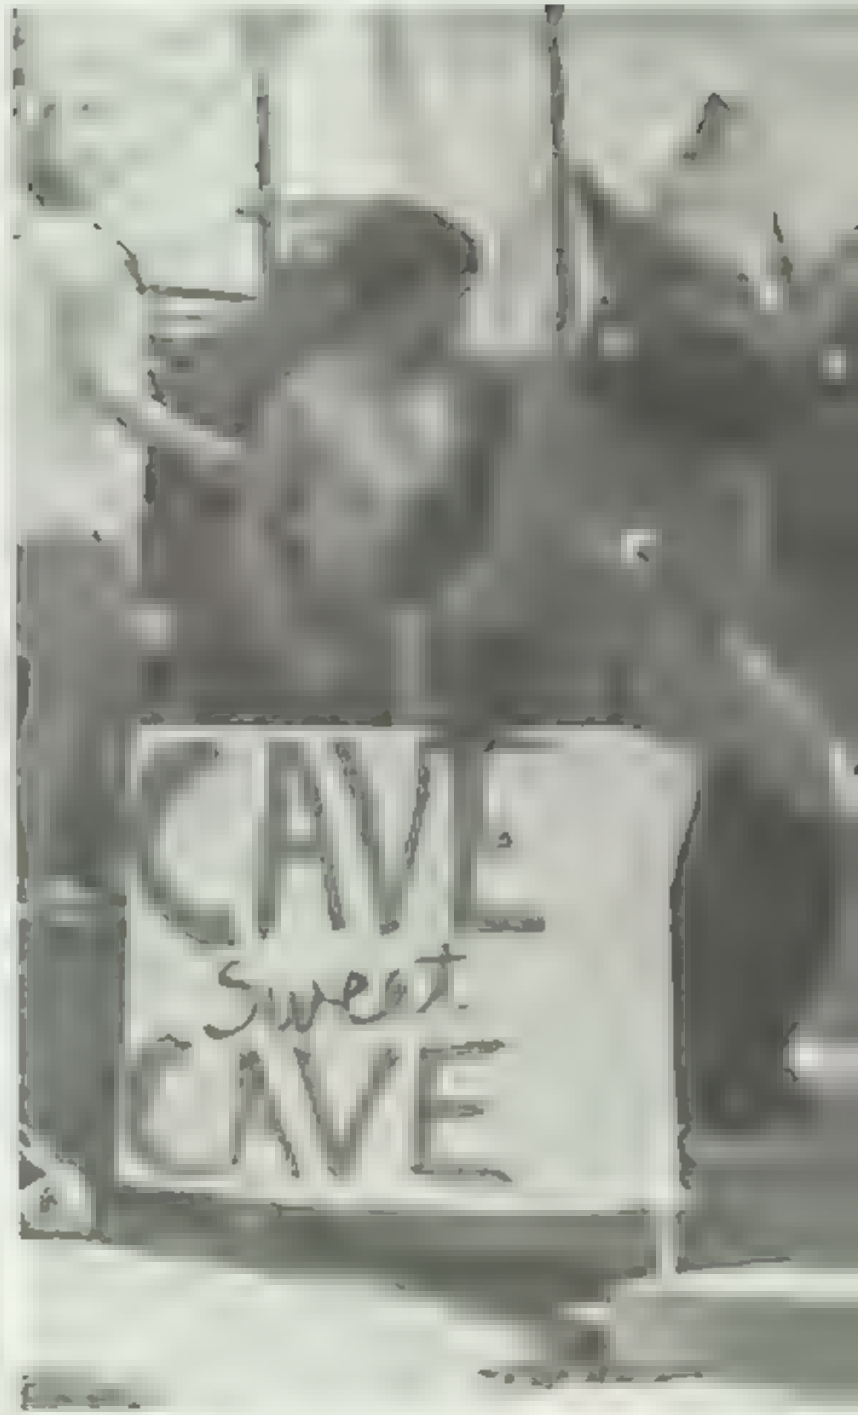

Overall, this year's pep week was a stimulating and spirit filled activity for all involved.

## Membership Participation Equals Productive Year

CSF, California Scholarship Federation, is a group of students who have achieved high academic standards. The group's main purpose is to offer services to both the community and the members of Buena Park High School. In the month of December the group sponsored two successful activities for the community — Toys for Tots and a Canned Food Drive.

The group concentrated the other half of their effort on school events. They have raised money through candy sales and the

# Performing Clubs Enrich The Arts

## Drama Takes It From The Top

"Take it from the top" and that's exactly what they did — Buena Park's Drama Organization is not only well known to the campus but to the entire Fullerton Union High School District.

The organization started their Silver Anniversary under new director and advisors, Joe Parish and Lawrence Cafarella. With an exciting year planned, the organization kicked off with the adult folk tales of "Story Theatre." The play marked the twenty fifth fall production, which was presented on November 21, 22, and 23.

The year progressed casually with top rated one act plays such as "The Crucible" and "Attic Treasures." With all the excitement in the little theatre happening, the organization contributed to such activities as Silverado Days, the 1982 Winter Program and the District Drama Festival which was held at Sonora High School.

The club and its busy year finally ended with the grand finale by presenting "The Matchmaker." With one of the best casts assembled, director Joe Parish presented one of Buena Park's best shows.

One of the better achievements came when the organization initiated ten lifetime members into drama's highest award, "The International Thespian Society."

## Choir Harmonizes Together

Another active club here on campus is the Buena Park Choir. This is one club that never stops. With performance after performance the choir sang their way into the school's life.

The club started out by performing in the 1982 Winter Program. Throughout the busy '82-'83 year the choir not only performed at Buena Park but at other schools and auditoriums in Southern California. With Mrs. Frankie Kill at the wheel and President Jennifer Allen as co-pilot, the promising group gave their last performance at the Choir Concert which was held in May. The choir came with 10 soloists this year from rookie Freshmen to veteran Seniors.

# Combined Efforts Provides For Eventful Year

The 1982-83 Executive Cabinet began their active term during the summer of '82 when they began meeting and making plans for the coming year. Freshman Orientation, Opening Day and Homecoming Assemblies, and Convention '83 were some of the ASB activities that highlighted a busy year.

The combined efforts of President Mario Garcia, Vice President Jojo Nakahira, Secretary Kari Strasburg, Treasurer Joe Hanley, Sec. of Athletics Devin Bunch, Sec. of Education/Community Relations Kevin Davis, Sec. of Student Relations John SanAgustin, Sec. of Spirit Bill Janeshak, and Sec. of Publicity Caroline Masinsin, made this an eventful and memorable year for all at Buena Park High School.

This was a year of change for the ASB Cabinet and the leadership class. For the first time in the history of Buena Park High the leadership class was open to all students, not just elected officials. This proved to have its advantages and disadvantages.

"An advantage to the class being open to everyone this year," expressed Claire Jackson, a member of the class, "was that everyone had the chance to learn about the different leadership roles so that they too may hold an office some day." Another advantage that was clearly shown was the opportunity for students to learn about organizing and running activities. Everyone realized the hard work that is put into a seemingly simple activity.

A disadvantage to the larger leadership class this year was the fact that since it was a new situation, it proved to be awkward for the elected cabinet. As expressed by advisor Shirley Gatling, "We have found many dedicated students who are willing to help in student government, but smaller groups are clearly more efficient."

The year was summed up by Mario Garcia, ASB President.

"My time spent as ASB President is something I will never forget. My cabinet and I have done every thing possible to make this year the best we could. We ran into several obstacles along the way, but we still prevailed.

The cabinet tried it's best to get everyone involved throughout the year. The Halloween Costume Contest was one of the most participated in activities in the school's history. Even the faculty did an outstanding job at dressing up.

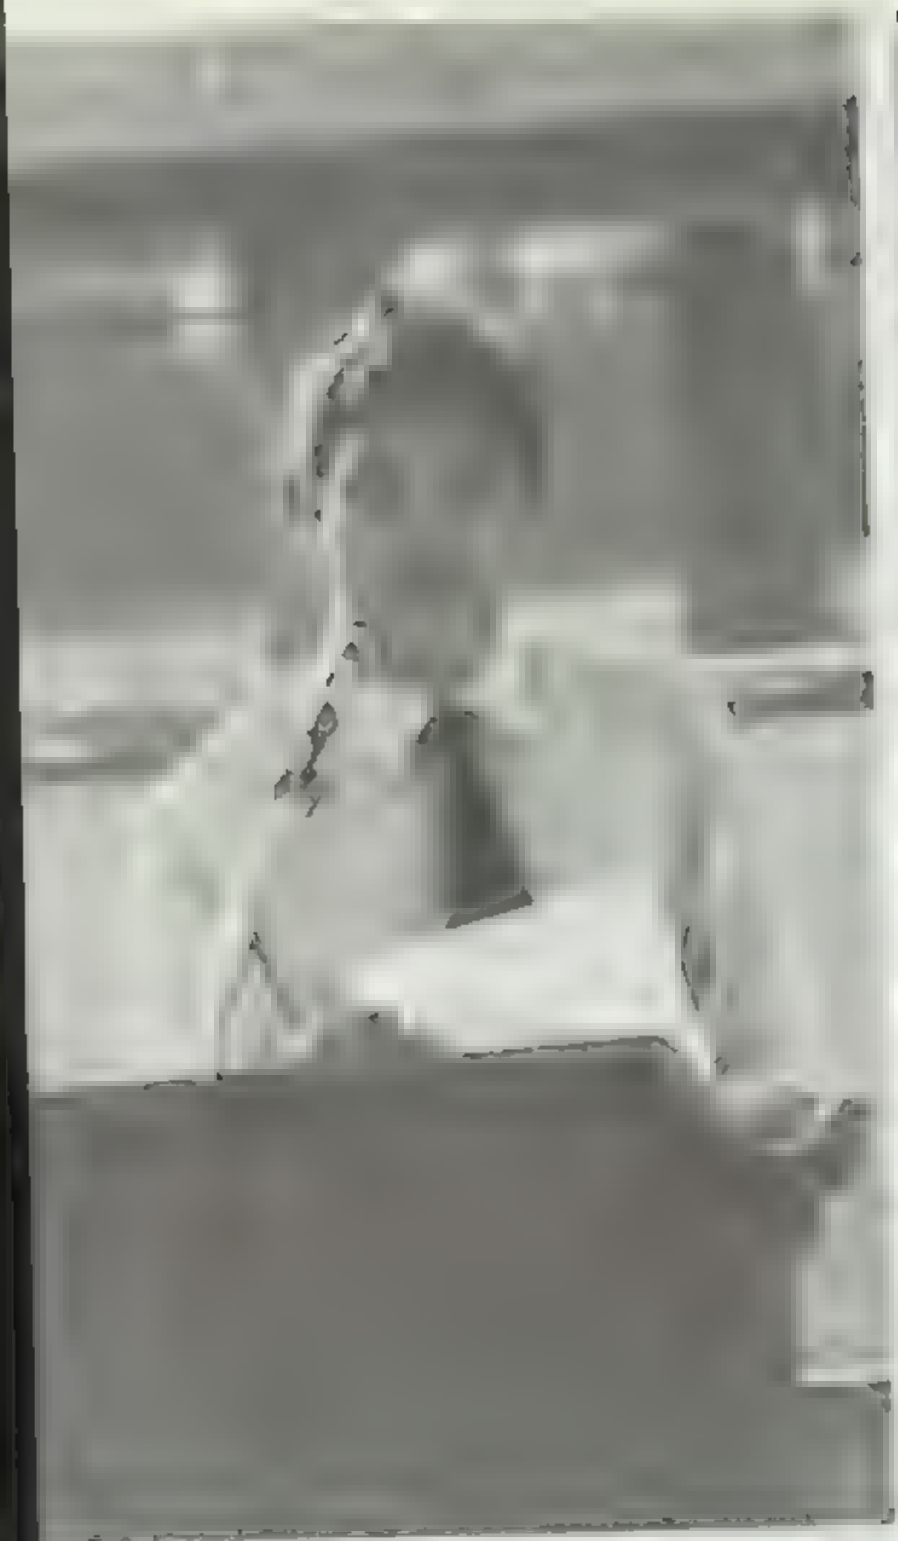

Another of the bigger events was the annual ASB Nominating Convention. Everyone enjoyed themselves while learning some basics of politics.

This year the school participated as a whole and proved that anything could be done when people are willing to work and show their pride. Now that the year is come to an end, the only thought I have is that I wish I had more time to accomplish the goals that have come to mind during this past year."

# Clubs Encourage Active Participation

## Backpacking Club Participates In Outdoor Activities

Starting its second year in existence, the Backpacking Club had many new members. New officers were elected, and trips were planned.

This year's officers were Senior Andy Campbell President, Senior Horst Jenkins-Vice-President, Senior Sam Sabin, Treasurer, and Sophomore Nancy Multalo-Secretary. These officers, along with Advisor Tye Hilger, planned and organized the club's activities.

Although the club is called a backpacking club the members participated in other outdoor activities. The club members went backpacking, cross country skiing, and rock climbing. However, this year, due to the heavy snows, they went cross country skiing the most.

The Backpacking Club isn't just a group of people having fun. They learn about wilderness survival, wildlife, and other features about nature.

The club's first trip of the year was a one day hike up a small peak. After they reached the top Advisor Tye Hilger taught them how to rock climb. The second trip was a day in the San Geronimo Wilderness Area cross country skiing at Barton Flats. Hilger, along experienced members, taught the club how to cross country ski. Their third trip was over a weekend at member Jeff Lawhorn's family's cabin. The club skied about eight miles to the top of a peak near Sugarloaf Mountain. This trip gave the club a lot of experience in cross country skiing.

Overall, the club got a lot of experience in backpacking and cross country skiing.

## Speakers Talk Up Town

Speech Club 1982-83 proved to be a highly motivated club. Many different speech contests were entered this year as well as many different speakers. Not only did the Speech Club enter these contests, but Mr. Hufferd's fourth and sixth period classes also entered. For many these contests were a new experience. Yet, they had no trouble placing high in rank.

Seniors Michelle Lapierre and Bill Wallace entered a contest at Occidental College with a Humorous Duo Interpretation taken from Neil Simmons *Prisoner of Second Avenue* and brought back a second place trophy. Also, Senior Kari Strasburg competed at Buena Park Noon Lions Club Speakers Contest and received first place. Other contests that were entered were Fullerton College Invitational, Bill of Rights, Voice of Democracy, and numerous Orange County Speech League contests.

This year's main goals were to first raise enough money for next year's Speech Club to pay for the participants entry fees, and to enter as many speakers as possible into the National Forensics League. Having reached these goals, the club completed a fulfilling year.

## Explorers Enjoy Outrageous Year

For this year's Ski Explorers, their awesome year began in the warm climates of Anaheim California, where they spent 5 days and 5 nights in the fabulous Convention Center! Although not much got accomplished in the way of skiing, the students worked for Sunland Skier's Super Summer Sale to help raise money for their upcoming line-up of trips.

To prepare for the first snowfall, skiers had a great opportunity to learn new skills on Sunland's dry ski ramp in the Anaheim Plaza, and when their first trip arrived in December, they were hot despite the 0° temperature! Staying at the Hilton Utah, the club skied Alta, Snowbird, Solitude, and beautiful Park City. Following this most successful trip, skiers hit the local slopes for some of the best snow in years! Come March, the elegance of the Tammaron Hotel in Colorado await the Easter ski bunnies of Buena Park. Once arrived, the BP bunnies were welcomed with super spring skiing and enjoyed their 5 day stay. Mammoth Mountain was the next and final destination for the skiers, where they again experienced outrageous skiing and met with other Explorers to make plans for the following year.

The Science Club, which held the largest number of members of any other club on campus, kept busy throughout the year with exciting, educational activities.

Led by club advisors Mr. Fairchild, Mr. Peebles, and President Scott Woehrer, the club participated in such excursions as the winter Whale Watch, a trip to the tidepools at the lowest tide of the year, and the biggest attraction of all the week long trip to the wonderful winterlands of Yosemite National Park. Other trips included a day at Griffith Park Observatory, a weekend spent at El Capitan state park, and river rafting in the rapids of the Colorado River.

Besides having a good time, the Science Club's participation in the above activities are a great learning experience for all. The Yosemite trip for instance is forever quipped by past and present advisors as being a "classroom without walls."

## Group Enjoys Successful Year

One of the many interesting and active organizations on our campus is the Future Farmer's of America, better known as the FFA.

"I feel that this has been the most successful year in the history of FFA," explained FFA Reporter Susan Lux. "We had an excellent advisor and good officers. We also had some of the finest live stock in Orange County."

FFA members must be enrolled in at least one vocational agriculture class where agriculture and leadership qualities are taught. They learn these qualities by participating in public speaking, holding various offices, and using parliamentary procedure.

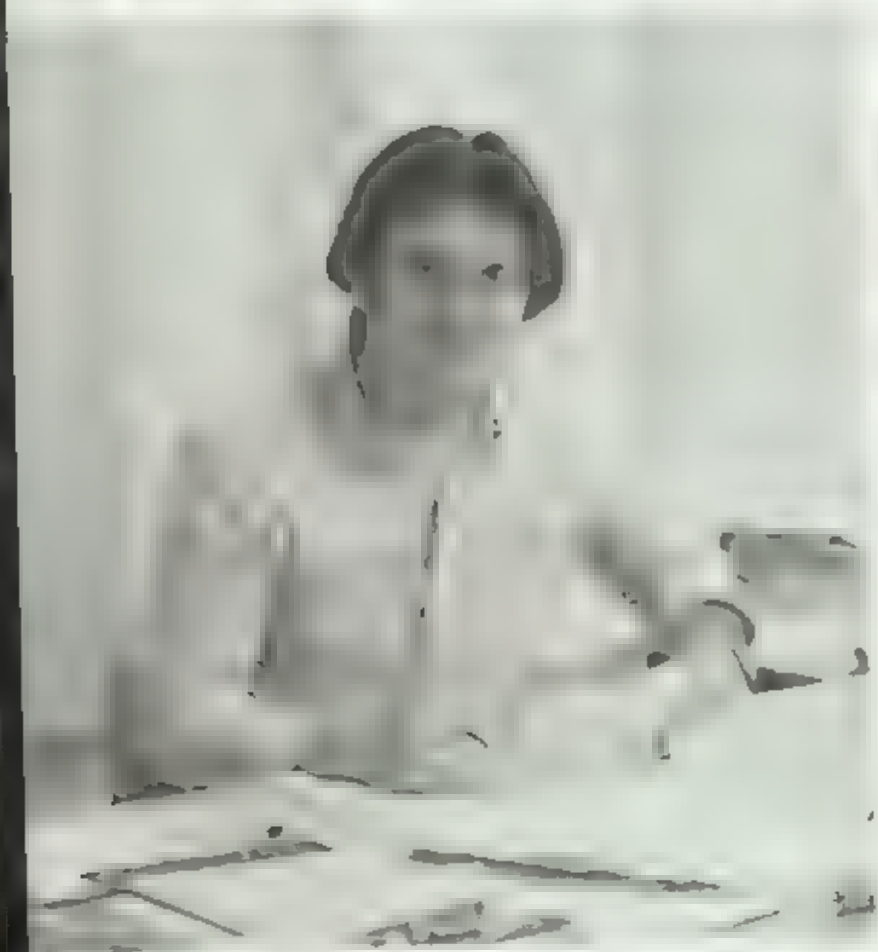

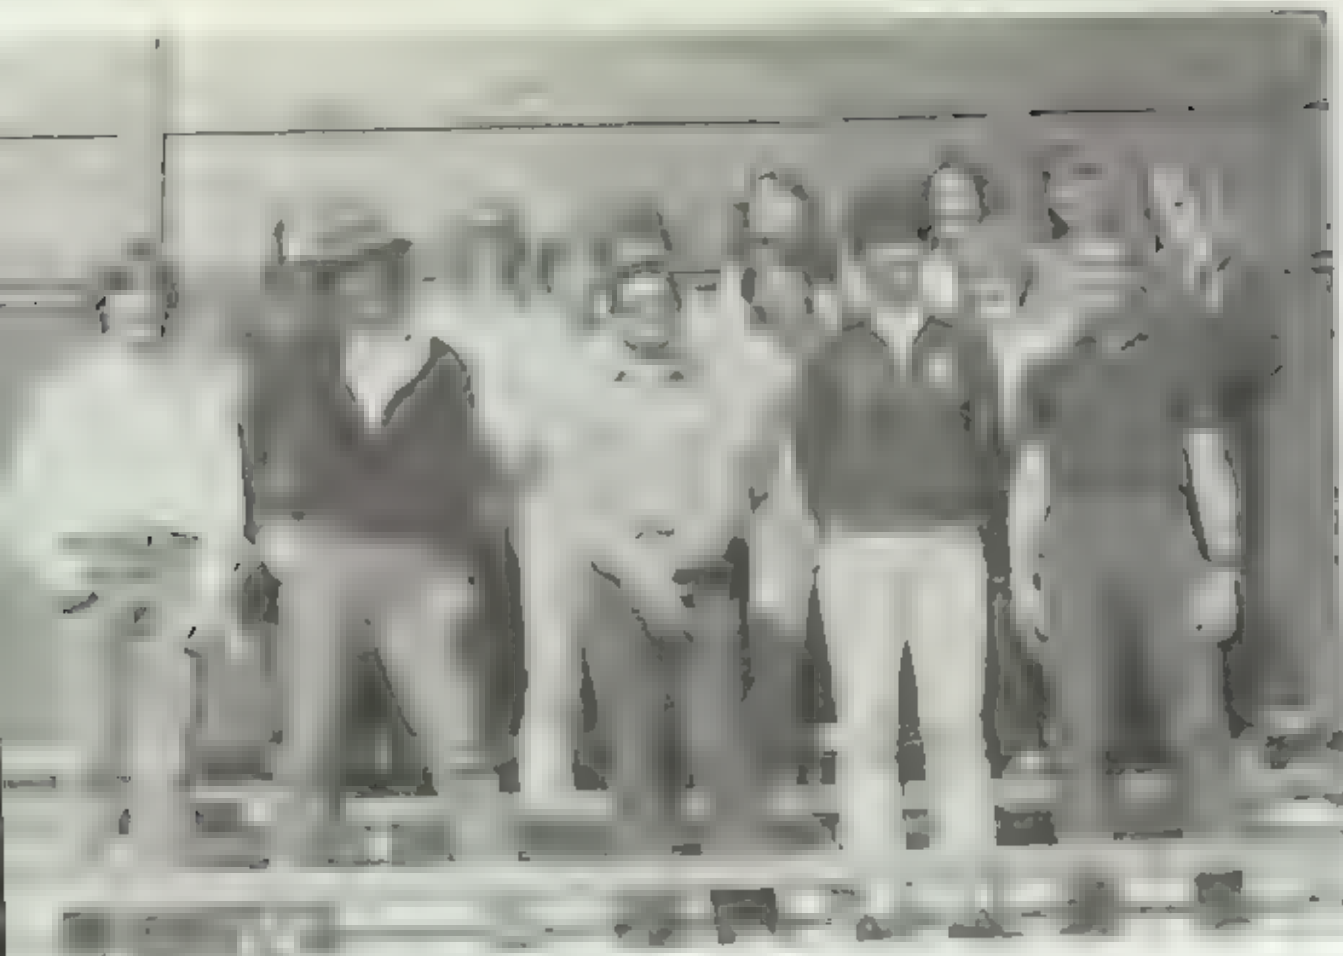

Members also raise many different kinds of animals on the farm. Many of these animals are taken to the Orange County Fair in July to compete, and then they are sold at an auction.

Officers of FFA are chosen each year in May or June, and serve in the upcoming year. Candidates are chosen by the advisor, Mr. Curtiss Combs, and the present officers; then, all of the FFA members vote.

Officers this year were: President Mary Jo Spinak, Vice-President Robbie Mullner, Secretary Debra Langford, Treasurer Glen Barclay, Reporter Susan Lux, and Sentinel Debra Lacy.

## MECHA Promotes Heritage

Returning to the BPHS campus after many years of absence, the MECHA club has re-established itself.

MECHA, which stands for Mexican-American Educational and Cultural Heritage Association, started on this campus three years ago, but failed to survive because of lack of support.

The purpose of this club was to interact members with the school and to share the Mexican culture with other students. The club tended to help with service programs, dances, and other school activities.

During the first six months, funds had to be raised to support the club. They had two very successful fundraisers that helped them get started. Vice President Rosa Rincon comments, "Although the MECHA club hasn't been around for a while, I feel it could be a popular club on campus if the students are interested and are willing to participate. The MECHA club represents the Mexican heritage, but it is for all races." Advisor Ray Pate said, "I was honored to be asked to help out with the club and I'm looking forward to next year."

## BP Checkmates The West

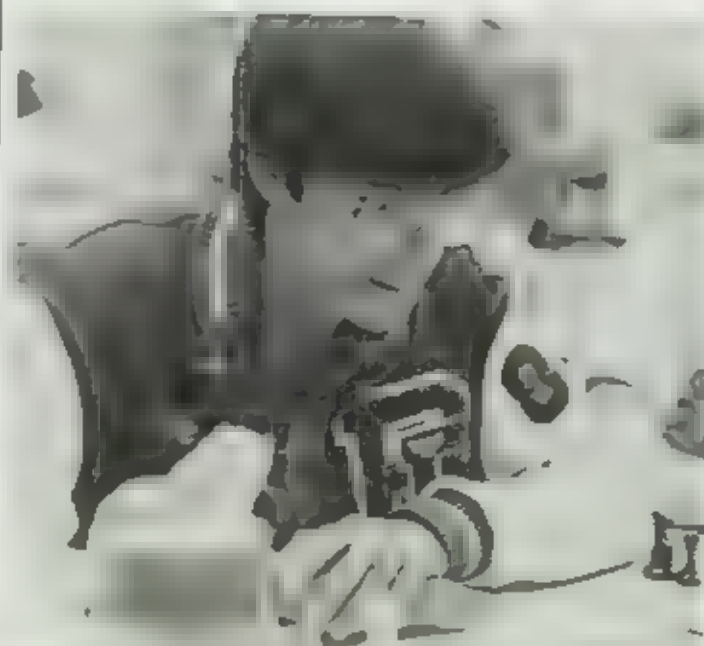

Capturing the Western Regional Championships by four points, the BPHS Chess Team was the most active chess team among all of the Orange County high school teams. They have already managed to earn the title of "Orange County Chess League Champions."

Opening daily at break and lunch, the chess club had a "pyramid" of twenty-seven players who welcome newcomers to a friendly game of speed-chess. Club advisor Mr. Stan Tinkle credited team captain, Joe Hanley with coaching the team to its exceptional level this year. The Freshmen players came to us from Mr. Barber's championship junior high teams and continue to study and improve their ratings at BP.

The firm support of the Administration, Faculty, and PTSA has enabled the chess team to take part in major tournaments.

"This team became great by helping each other. It was a pleasure to work with them," added Mr. Tinkle.

## Clubs Improve BP Curriculum

### Interact Group Provides Community Service

This years Interact Club, which promoted "Service to the Community", helped many people within the community. Led by advisor Saul Schacter, the group had fundraisers and visited convalescent homes to further its cause to better the community around them. We should all follow Interacts fine example of helping to better our city, since we would also be helping ourselves

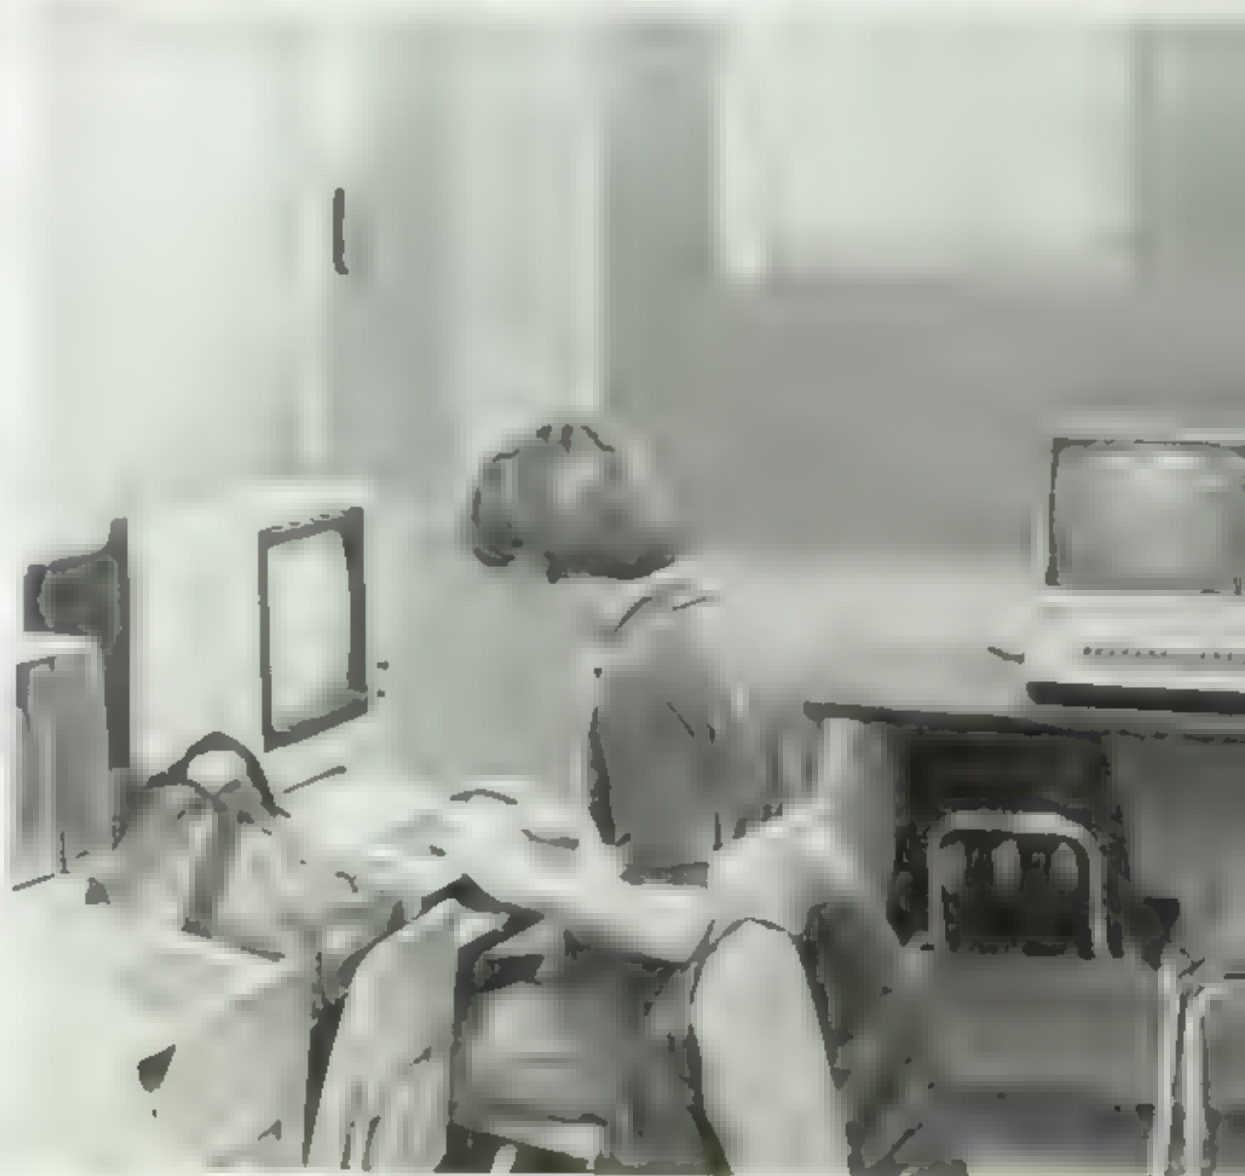

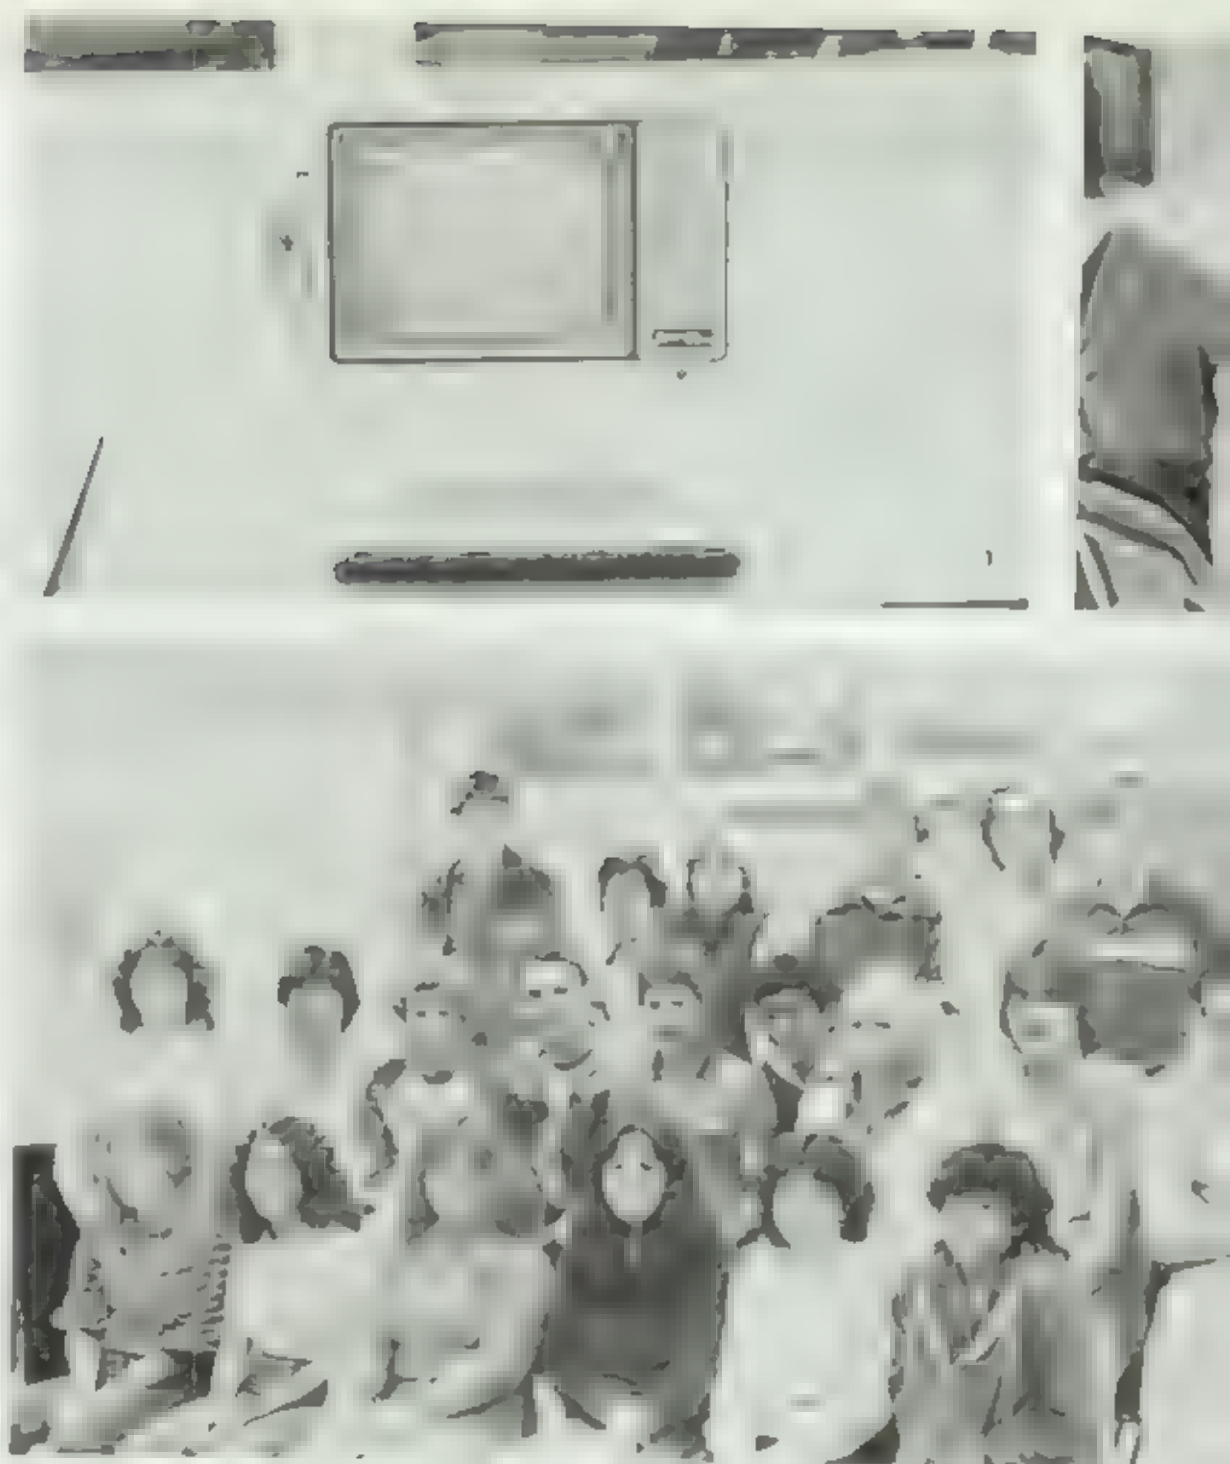

### Many Participate In New Special Interest Club

Another club on campus this year is the Computer Club. In its second year, the club attracted many new participants. As opposed to last year, the club was provided with the use of Apple II Plus computers. By planning to have speakers on computer related topics, advisors Albert Hammel and Nancy Bryant, along with president Mike McDargh, planned to help club members to get a better prospective on the computer field

Both of these groups provided rewarding experiences for many students on the B.P H.S. campus

## Frosh Eagerly Enter BP

Full of hopes and ambitions, the class of '86" entered Buena Park High School this year with an amazing 575 members

Led by Mike Mansolino and Jackie Shohet, the freshmen class had the task early this year of selecting five officers worthy of the enthusiasm contained in their class. The choice of the freshmen was evidently a good one, for officers Paul Bunch, Andre Daigle Laico Springer, Brian Vigil, and Paul Jamora did an exceptionally good job in leading the freshman class through pep week, pep rallies, bake sales, and many other fundraisers and school functions

As class president Paul Bunch stated, "We freshmen have planned this year to run as smoothly as possible, and to serve our class and school to the best of our ability."

This outstandingly coherent class will surely leave a lasting impression here at Buena Park High School

Participation Prompts Spirit And Pride

- 1 Brenda Sturgis-Vice President
- 2 Cathie Oliphant-Secretary
- 3 Michele Demattie makes her way through BP's crowded halls.
- 4 Two Sophomores have a good laugh over their art projects
- 5 Jami Vacek-Treasurer
- 6 Nancy Multalo-President
- 7 Heidi King-Representative
- 8 Rosa Medina dreams about her homecoming experiences
- 9 Displaying her love for Raggedy Andy while showing her school spirit is Denise Laducer

This year the sophomore class began to realize their important role at Buena Park High School. The class as a whole began to learn more about their school and to participate in more activities.

The Sophomore cabinet worked hard over the summer and through the 1982-83 school year to organize many successful class events. Consequently, the sophomore class continually set and achieved goals throughout the school year. This ambition grew out of the class's desire to make BP a school which they could be proud of.

During homecoming week, Sophomore Princess, Rosa Medina, discovered "it could be magic," and lifted the sophomore spirit.

Another main event for the class this year was Pep Week. With the theme "Breakout 85," the sophomores escaped with an award for the best yell leaders. A large boost was given to the morale of the class with the winning of numerous pep rallies.

These accomplishments were possible because of the combined efforts of the class officers with advisors Flora Anderson and Bonnie Hayslette.

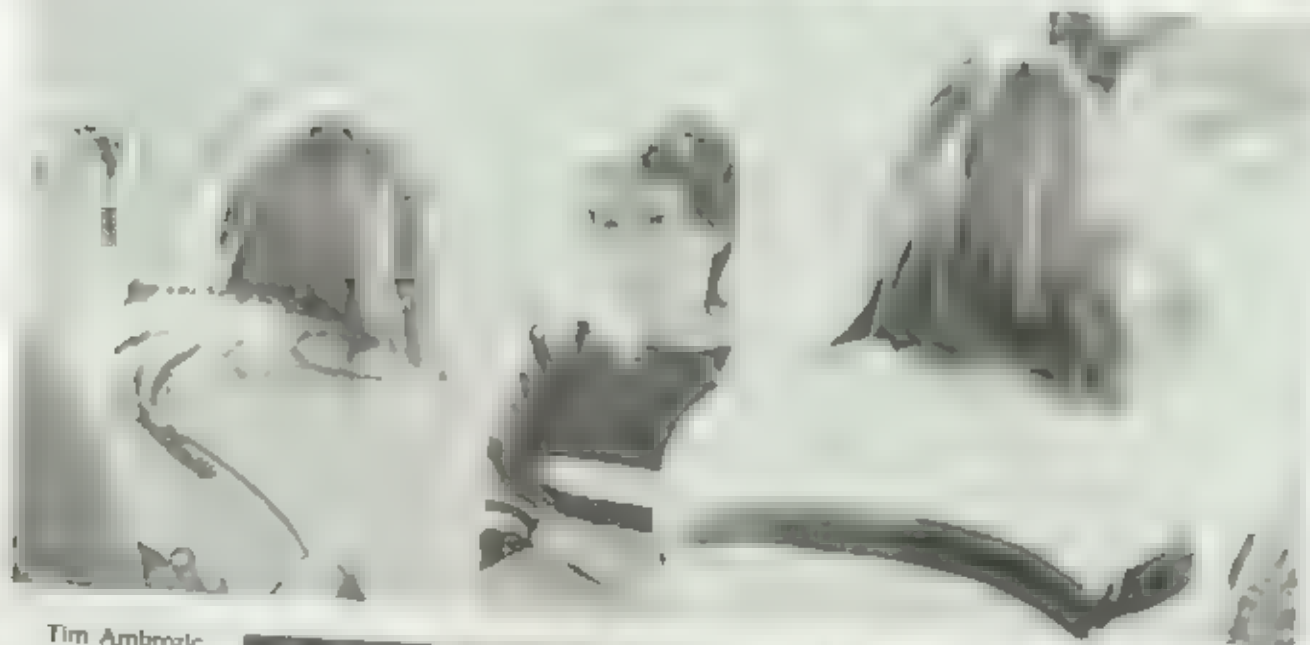

It is plain to see that the sophomore spirit and pride will be a contributing factor to the unity of BPHS in the future.

## Cabinet Unites Junior Class

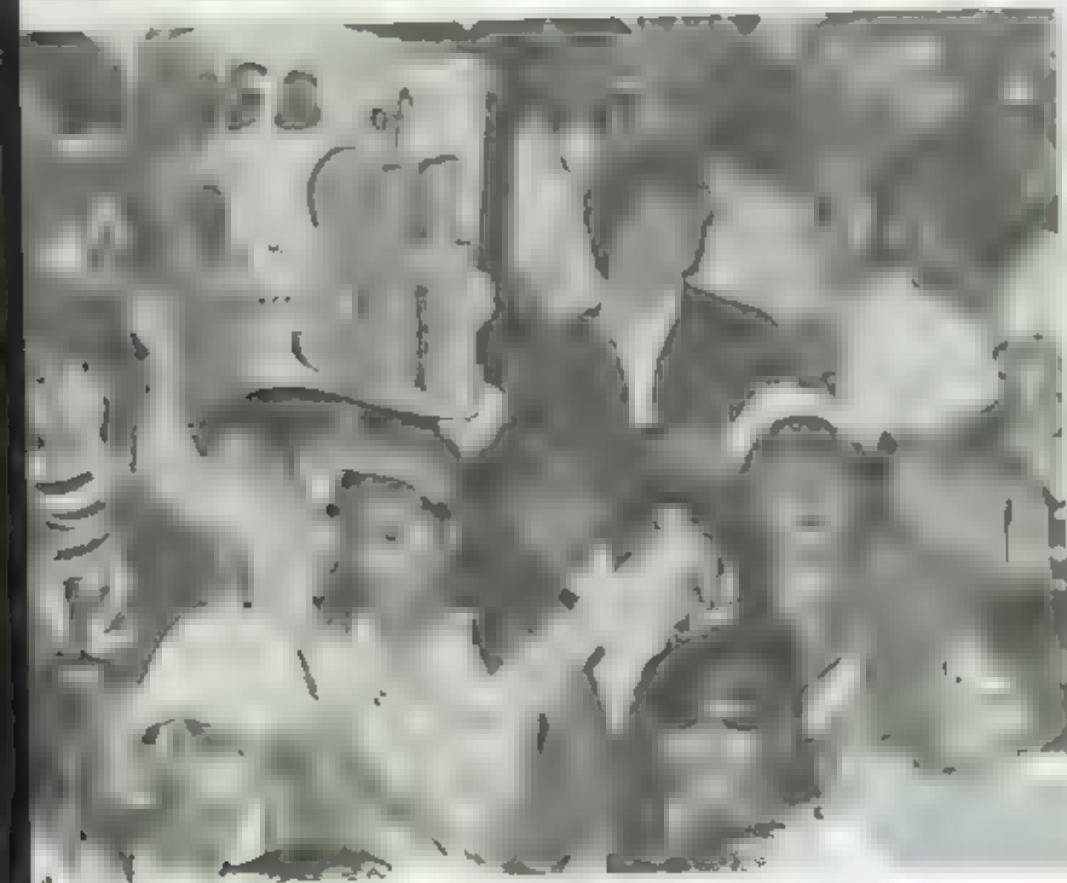

Kicking off the 1982-83 school year with a big bang was the "awesome" JUNIOR CLASS! With high spirits, they smoothly sailed throughout the year making their final accomplishment a great success. This main event was of course the Junior Senior Prom which was held at the Disneyland Hotel in Anaheim. In order to raise money for this memorable and magical night, the Junior class, led by Ruby Michiue, John Walker, Denise Dunnington, Norma Murakami, and Becky White, contributed much time and effort. It sold football programs, participated in an M&M's-Reese's Pieces fundraiser, and the most popular of all, the Junior class was in charge of the many gram sales.

Displaying more of their class unity, the Junior class was very impressive during Pep Week. With their theme, "Tour #84: Next Stop Hollywood", Juniors began showing their en-

thusiasm early in the morning with the arrival of a large number of class members at the International House of Pancakes. They were dressed as everything from tourists to actors and actresses. The highlight of the day was an "Old Fashioned" pie fight just like the ones in the old black and white films. The combined efforts of the Junior class earned them awards for an overall best pep rally and class participation, tying in both categories with the seniors.

Due to the moving of their vice president, a new one was elected during the second semester and filled the spot efficiently. The Junior class continued progressing and maintained their Coyote Pride with every obstacle that they faced. Congratulations to the Class of '84 for a job well done!

## 25th Class Leaves BP

### Seniors are "Special" People

The senior graduating class of 1983 is indeed a very "special" class. It is the twenty fifth graduating class of Buena Park High School. The name "special" has given Buena Park seniors a feeling of self-esteem and school pride.

Headed by Mr. Doug Prochaska, senior class advisor, President Pete Thibodeau, Vice President Horst Jenkins, Secretary Rhonda Yoshioka, Treasurer Cindy Foley, and Representative Becky Robinson planned a very successful and fulfilling senior year. Horst said, "I have really enjoyed working for and being a member of this year's Senior class. Through the years we have all grown together to become the greatest class in BP's history and we're getting better all the time. I'm thankful for the time I've spent working with these people and I'll never forget them!"

Along with many fundraisers such as car washes, bake sales, and the senior goldfish booth at Silverado days, the seniors managed to achieve an extravagant pep week.

This year's senior class graduated on June 16th. These young adults will help shape our future society. The seniors of Buena Park High School are truly "special" people.

## Inexperience Results In Dismal Season

The main attraction every year, as far as sporting events are concerned, is football. No other sport ever matches the number of fans attending their games as football does.

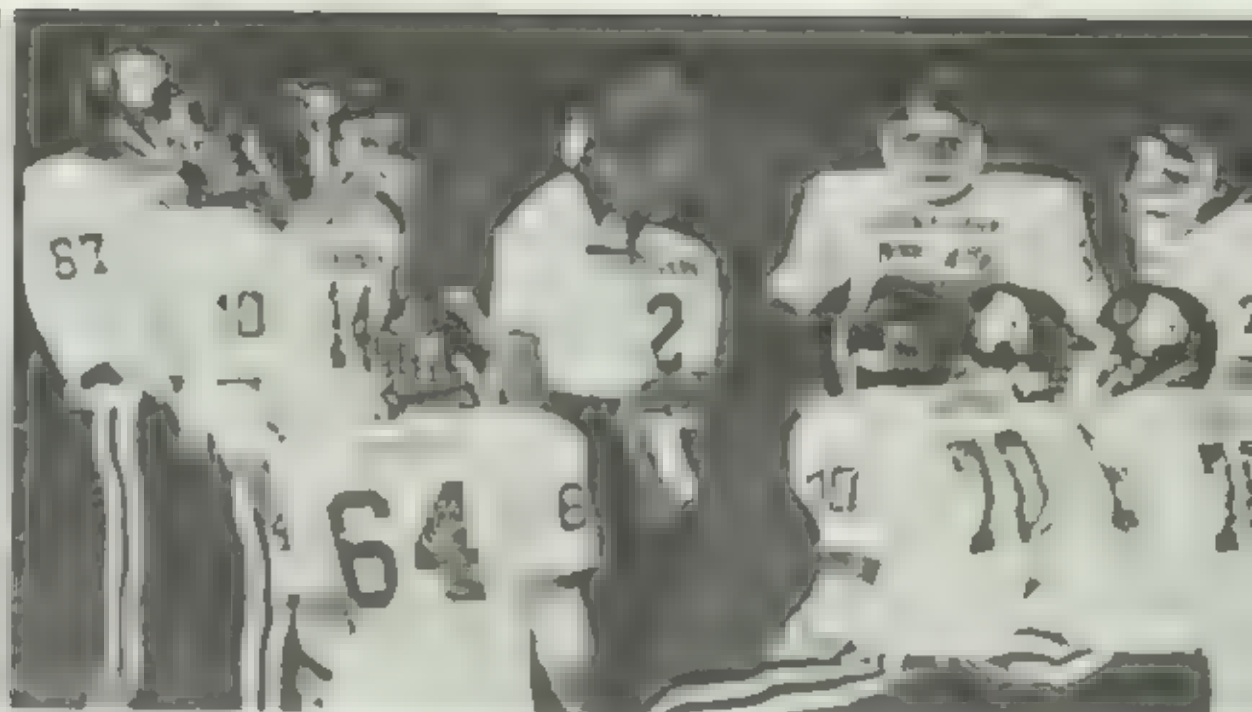

At the beginning of this year's season, the Coyotes were ranked #4 in all of CIF and were looking forward to an outstanding season.

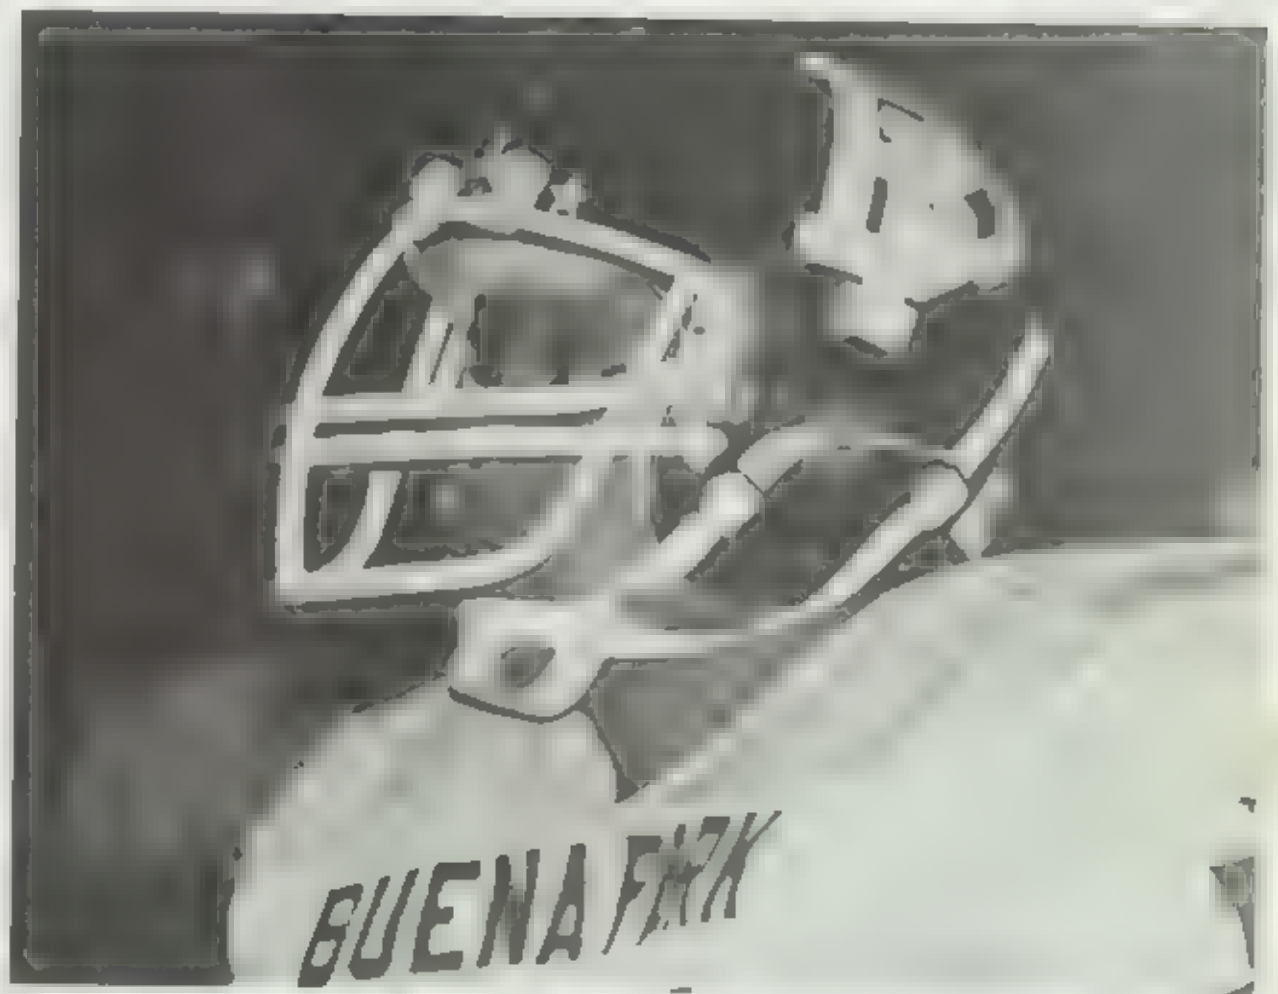

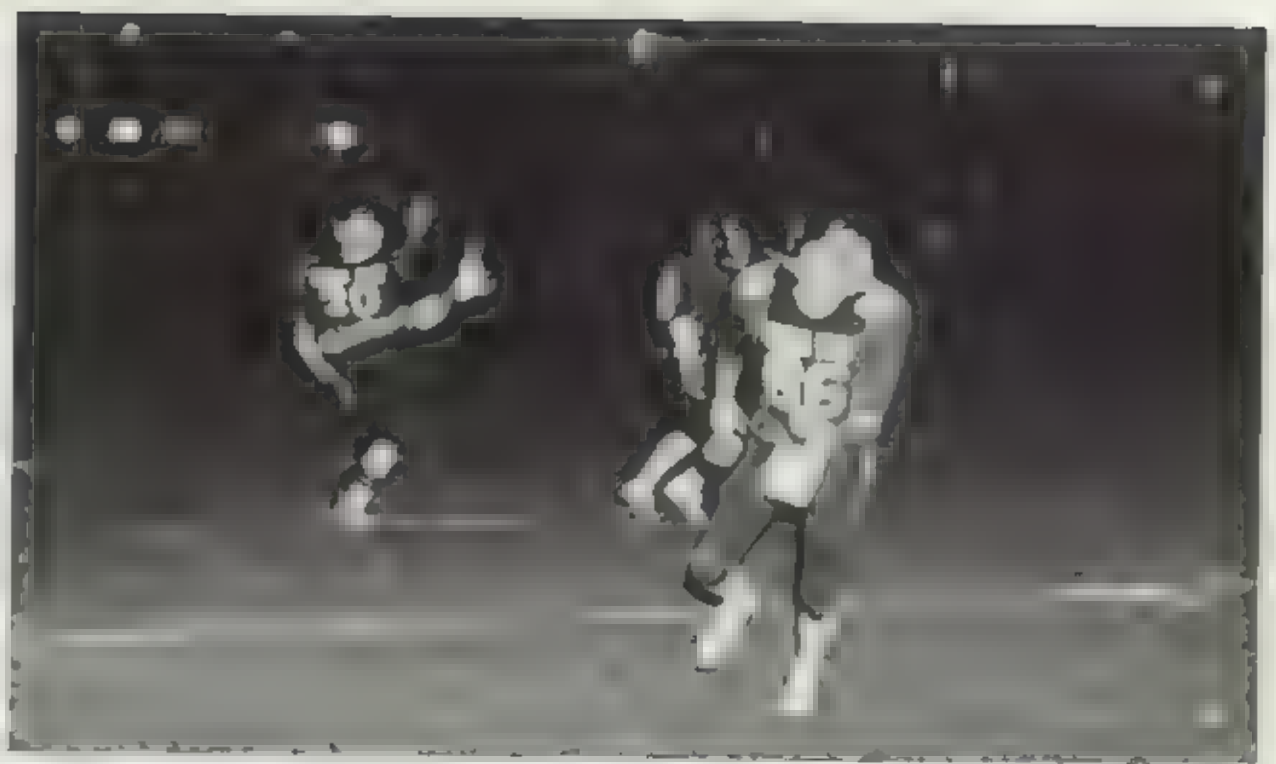

After the first four games, the Coyotes had a record of 2-3 while boasting the #2 defense in Orange County. Because of their success in pre season play, the Coyotes were optimistic about the upcoming league games.

This attitude prevailed as the Coyotes began league play by defeating the Sonora Raiders by a score of 16-6. Then, a tough defeat to the Troy Warriors, 34-0, led them to believe that CIF hopes were now in jeopardy. Seeing this, the Coyotes played their finest game of the year against top-rated, Fullerton.

Buena Park led for three quarters of play, but a last quarter rally by the Indians pushed them to a 29-17 victory. After this disappointing loss the Coyotes went on to lose their final two league games, posting an overall record of 3-7 on the season.

# Football Fights Tough Schedule

## Junior Varsity Football Reveals Hidden Potential

The 1982 Junior Varsity Football Team finished their season with a 6-3-1 record. Outstanding players were Peter Ybarra, Ron Kieler, Ken South, Sid Gonzales, Tony Helsel, John Kalil, and Roland Remigio.

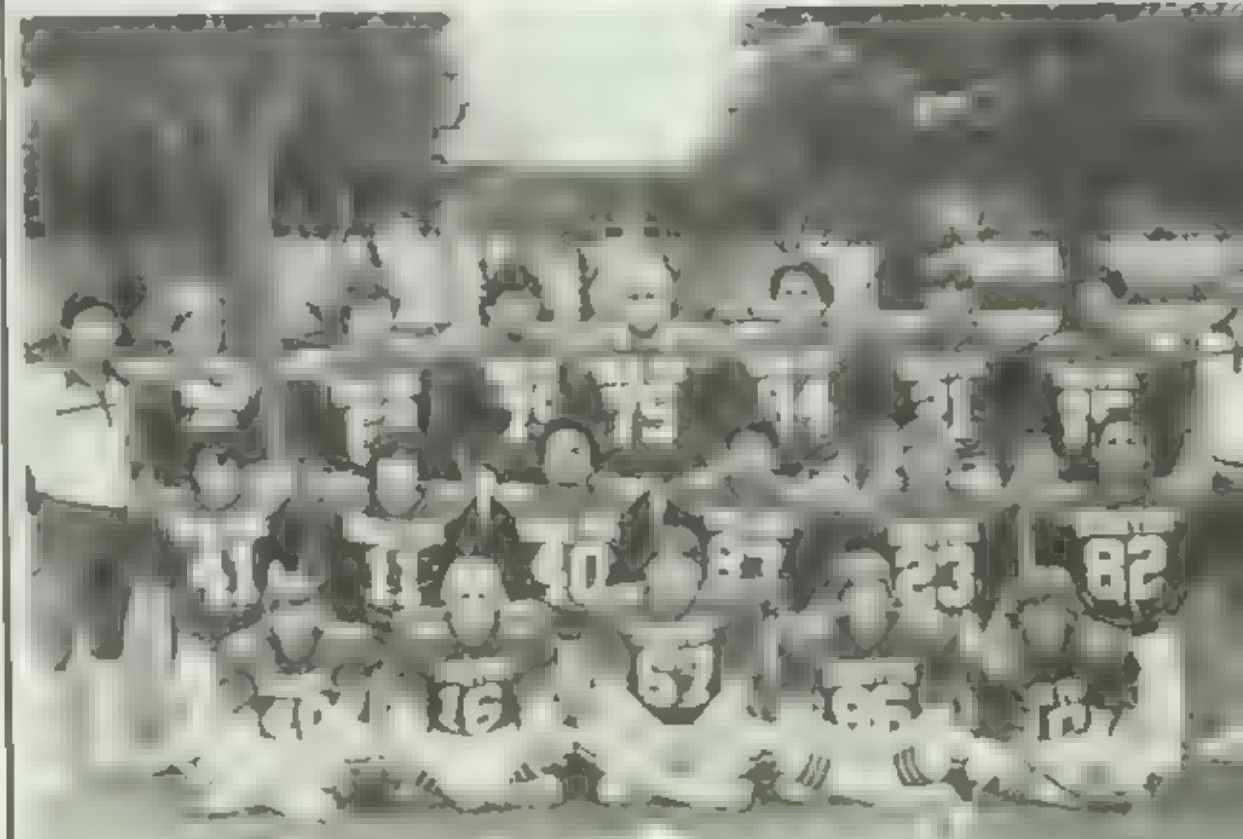

Coach John Turek said, "They were thin, as far as numbers go, but they played hard all year."

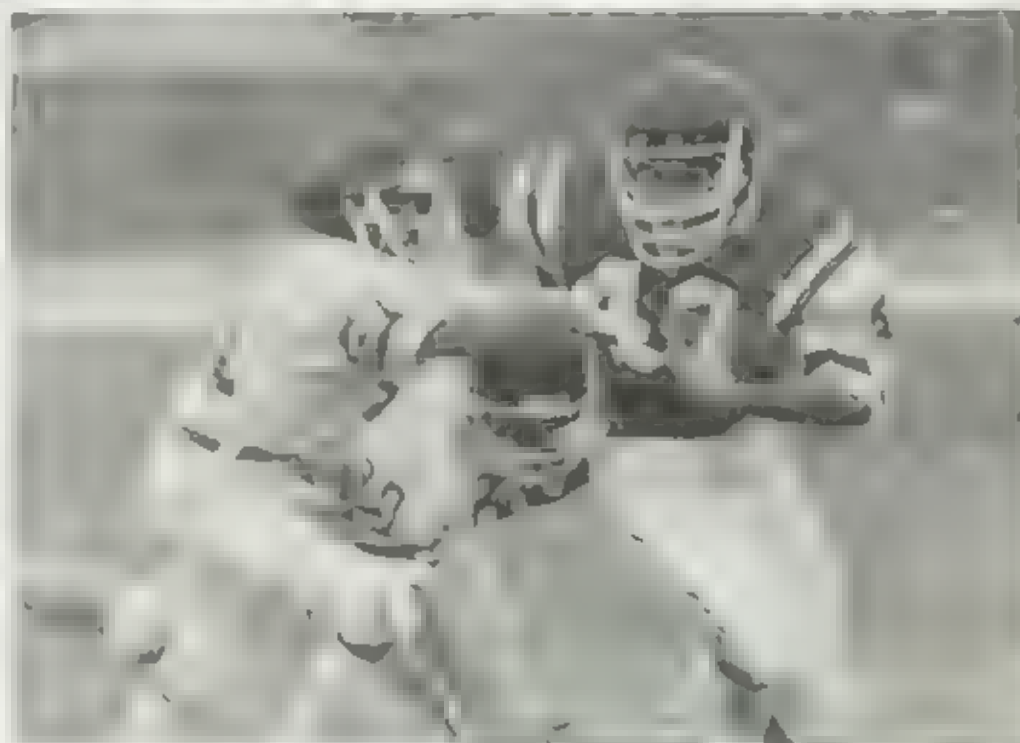

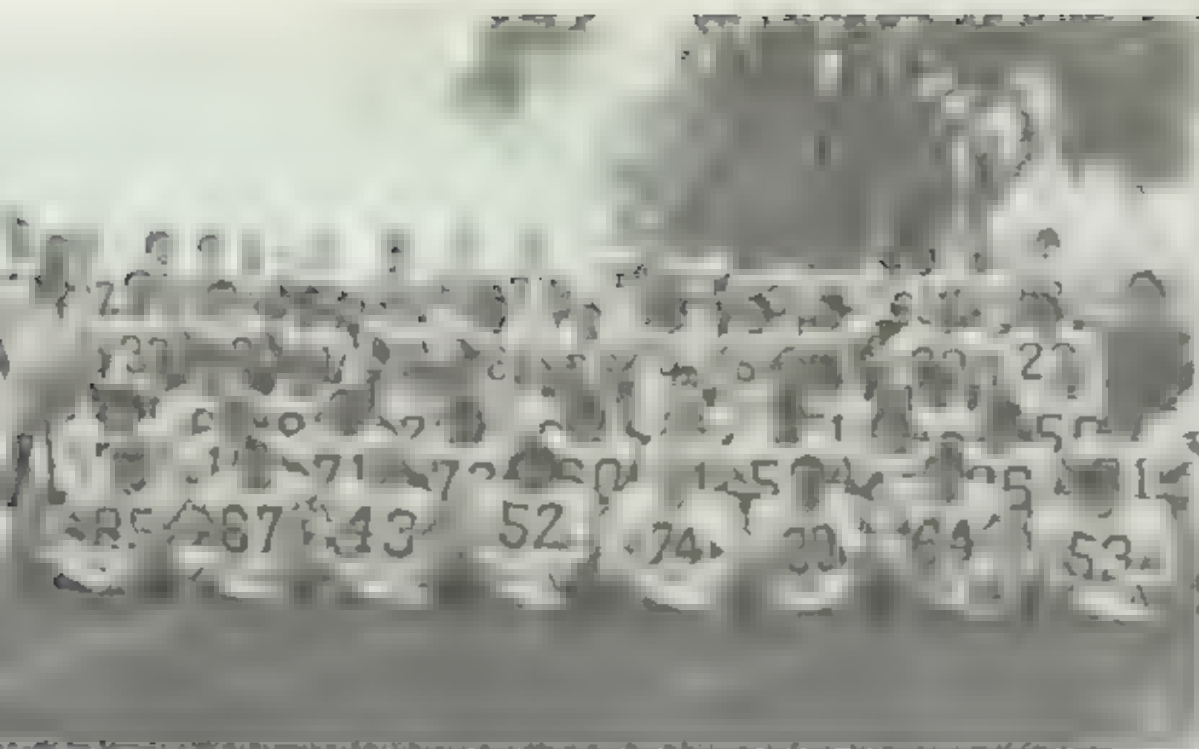

## Errors Plague Freshmen

With a 3-6-1 record, the 1982 Freshmen Football Team finished an exciting season, for they lost many close games. They finished league competition tied for third place.

Some Outstanding players on the team were Roger Leitner- Most Valuable, Tony Miller- Best Lineman, Jeff Guglielmana- Best Defensive Back, and Scott Milligan- Quarterback. Coach George Fairchild said, "If this team can cut down on their mistakes, they will be an outstanding football team in the future." Coach Fairchild also said, "This team has a tremendous amount of potential and ability." This years Freshmen and Junior Varsity Football Teams should combine to form a tough Varsity team in upcoming seasons.

## Varsity Polo Ranks 10th In CIF

An outstanding season was accomplished by the Varsity water polo team, they finished with an overall record of 17-7. Despite their loss to the Sunny Hills Lancers, BP water polo finished with an awesome league record of 4-1, which gave them second place overall.

BP's outstanding record enabled them to participate in the CIF 4-A playoffs. They were also ranked 10th in all

of Orange County. In the first round of the playoffs, BP matched up against Edison High School and defeated them by a score of 11-7. In the second round they were matched against Hacienda Heights Wilson. This opponent defeated Buena Park by a score of 14-19.

The team was led by coaches Ted Clarke and Rudy Madrid. The award of most valuable player went to Junior

Greg Stoddard and Senior Kevin McKee. Senior Kevin Davis took the title of most improved player, and the most inspirational team members were Juniors Brent Boice and Ron Kim.

Coach Ted Clarke stated, "I feel that next year's team will be great seeing that many of the players will be returning next year."

"Look at our dimples" smiles Juniors Brent Boice and Trent Binger.

Managing to avoid his blocker, Junior Rick Eastwood throws the ball as far as he can.

## Frosh-Soph Finishes Undeateated

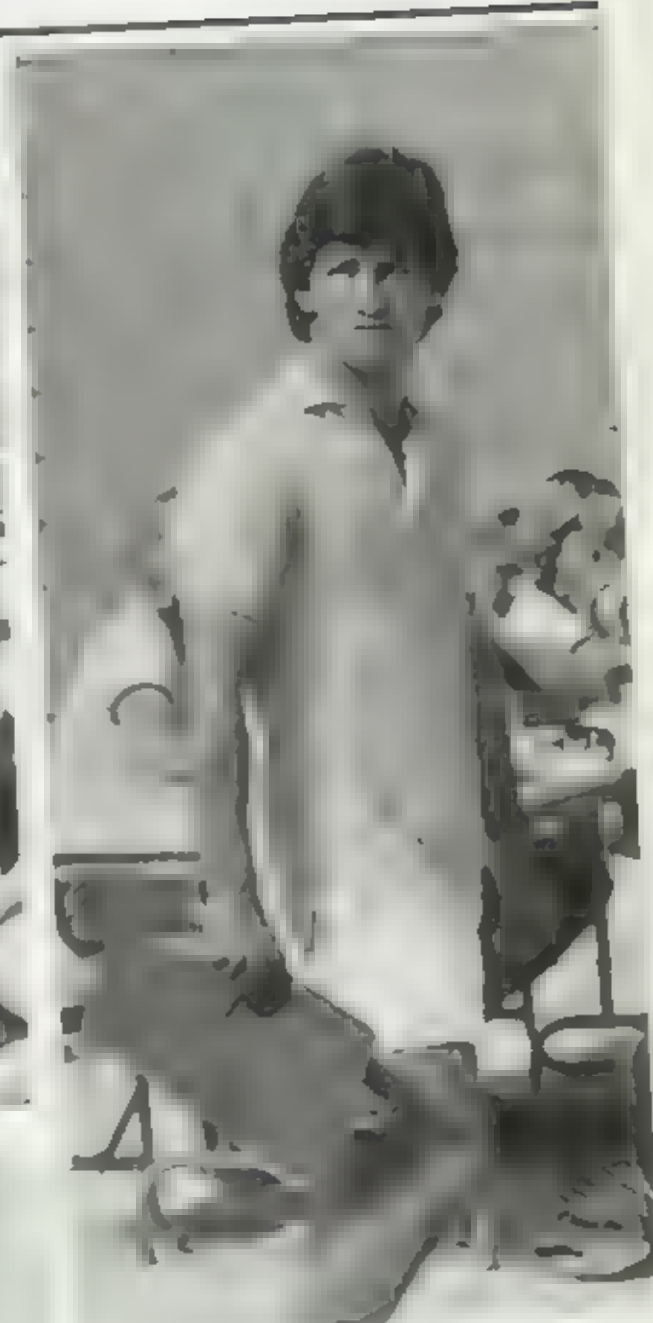

An outstanding group effort led the 1982 Frosh-Soph waterpolo team to an undefeated season, as they achieved first place in league.

The team was successful under the skillful supervision of coaches Rudy Madrid, Ted Clarke, and assistant coach Tony Pinero. Additional help was provided by coach David Petroski who aided goalie Rick Fierro.

Although the entire team contributed to the winning season a few outstanding individuals were chosen to receive honors. The award of most valuable player went to sophomores Mike Sullins and Garth Majala. Sophomore Bruce Montgomery was named most improved player, and the most inspirational team member was sophomore Rick Fierro.

## CC Dynasty Continues

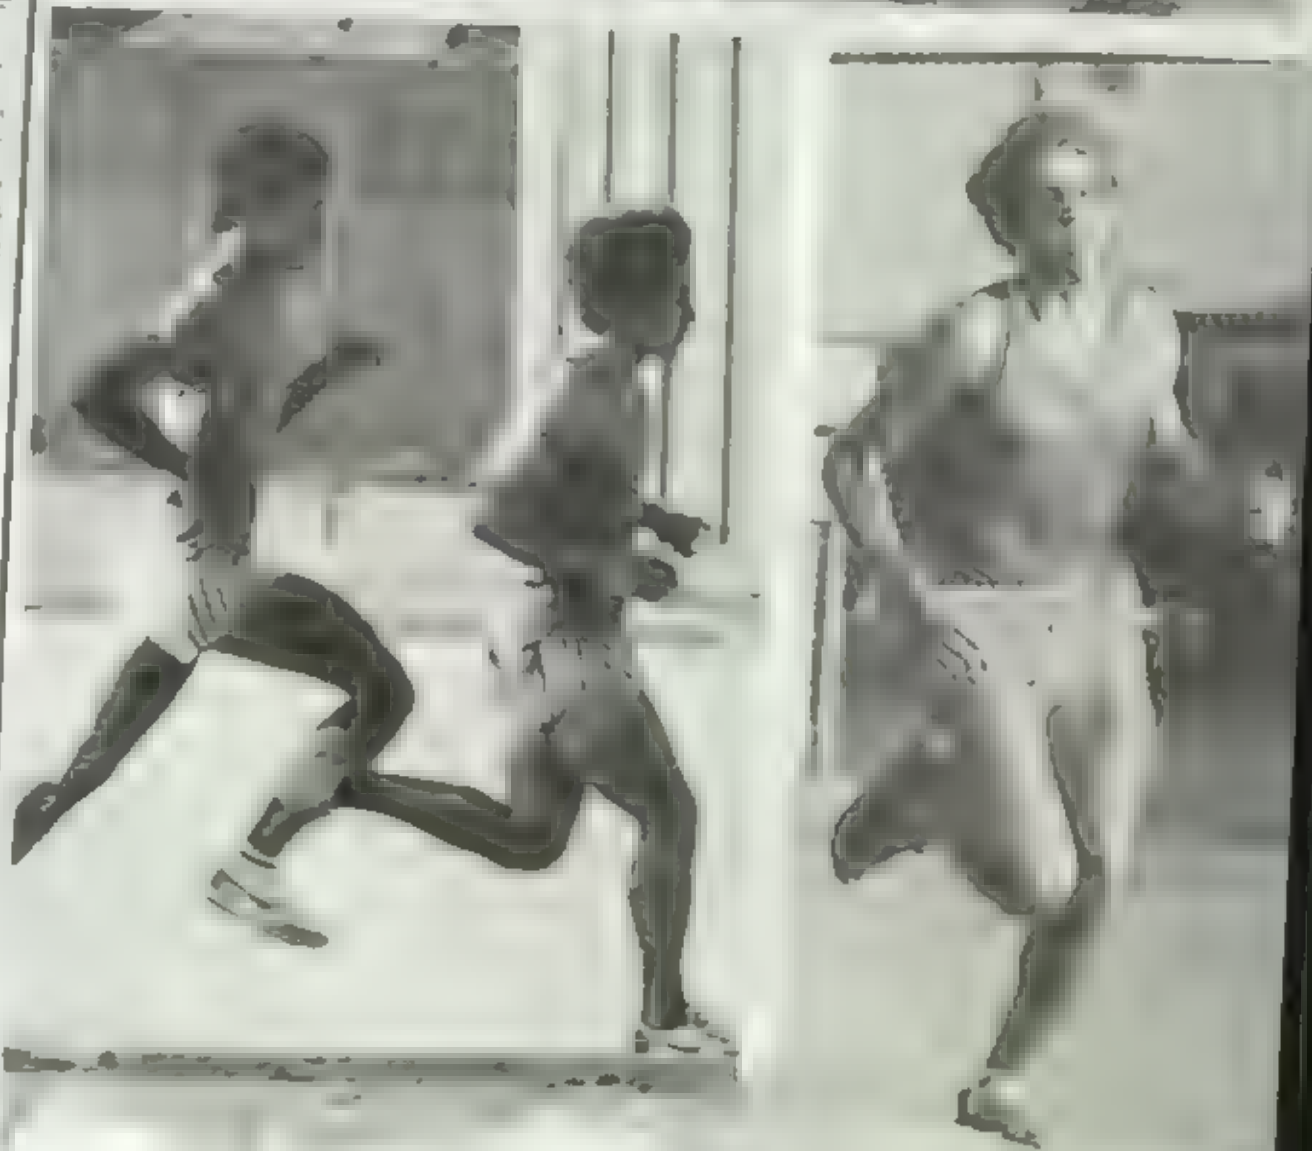

Dedication, that is what has brought the Cross Country team of Buena Park High School its seventh consecutive league title. Under the leadership of Coach Hirsch and newly acquired Coach Armando Cendejas, the team began its training on July 5.

The first day of normal training was of running about six miles a day; then in the beginning of August they ran about nine miles a day. On August 16 the Cross Country team traveled to Mammoth Mountain for a high altitude training camp which is two weeks of running hills with dirt in the mouth and no oxygen.

Varsity Cross Country went 5-0 in league and 7-2 overall, with a first place finish in the Buena Park Invitational, second in the Esperanza Invitational, third in the Orange County Championship, and sixth place at the Mt. Sac. Invitational. Cross Country captured first place in league finals, but a disappointing tenth place in C I F. prelims.

The varsity team was led by Seniors Ed Carrasco (freeway league champion), Jim Bolanos, Jeff Pusey, and Dan Salinas, Junior Jim Valenzuela, Sophomores Steve Scardina, Greg Pusey, and Wayne Fruneaux. Award winners of this year were Ed Carrasco-Most Valuable, Steve Scardina-Most Improved, Greg Pusey and Wayne Fruneaux Most Inspirational.

## Frosh-Soph Wins Eighth Straight

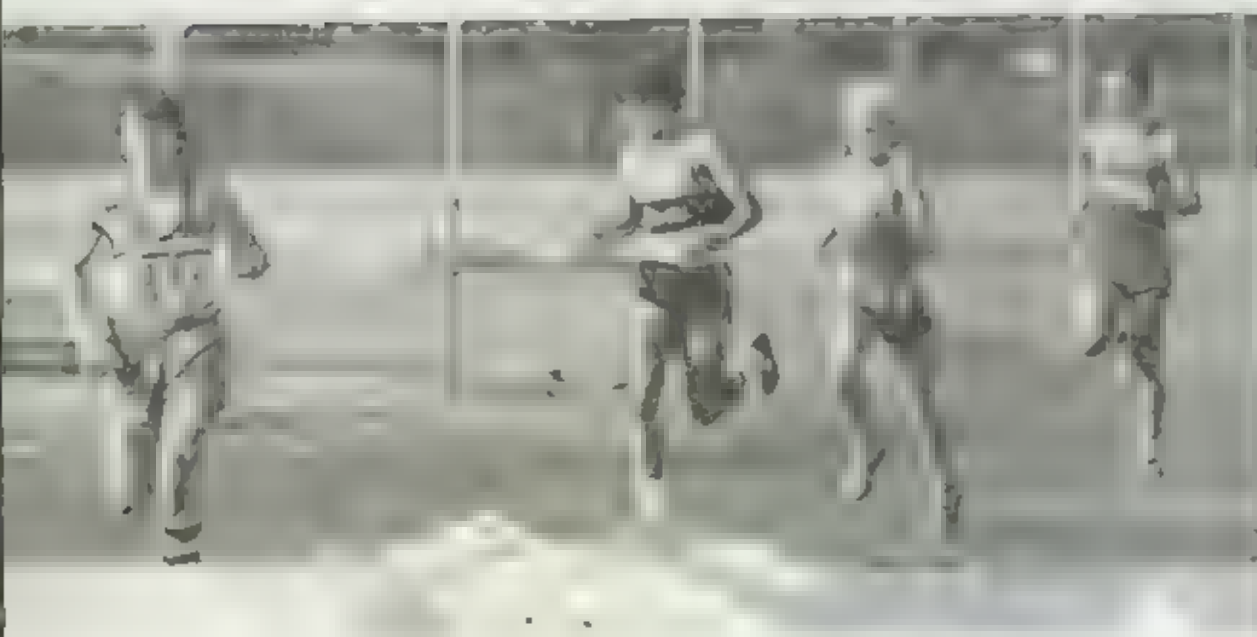

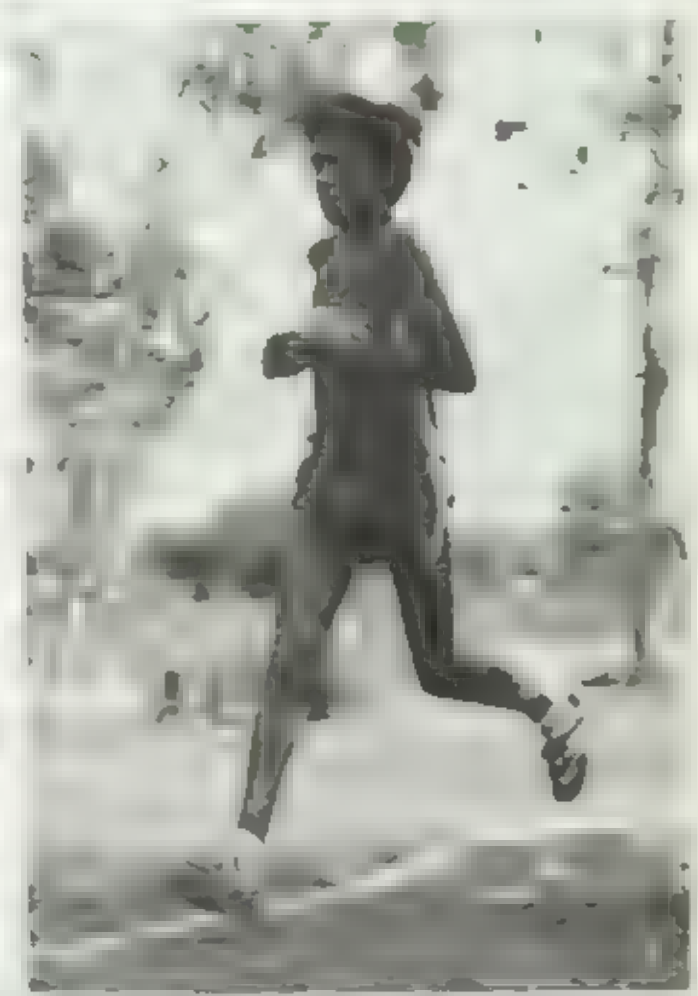

Coach Hirsch's ability to find freshmen and sophomores to run as well as they do is tremendous. Being the freshmen P.E. teacher, Coach Hirsch asks all the boys to run a half mile, and he chooses and encourages the top runners to run cross country.

Buena Park's Frosh-Soph Cross Country team won its eighth straight consecutive league title. The team went 7-0 overall. They were led by Sophomores Jim Lynch, Mike Espinosa, Billy Townshend, and Jose Terriquez, Freshmen Joel Gomez, and Tom Fortney.

The Junior Varsity team led by League Champion Kevin White went 4-1 in league competition losing their first championship in seven years. Due to injuries on the varsity team, the J.V. lost their top two runners, and only had five runners in most races. The J.V. team finished in third place of the Buena Park Invitational and second place in league finals.

## Girls' CC Team Bags Trophy

"We got third! We got third place!" Coach Kramer kept repeating after the girls' Cross Country team took third place in the Buena Park Invitational. This made the team very proud as it was the first trophy a BPHS girls' Cross Country team has ever won.

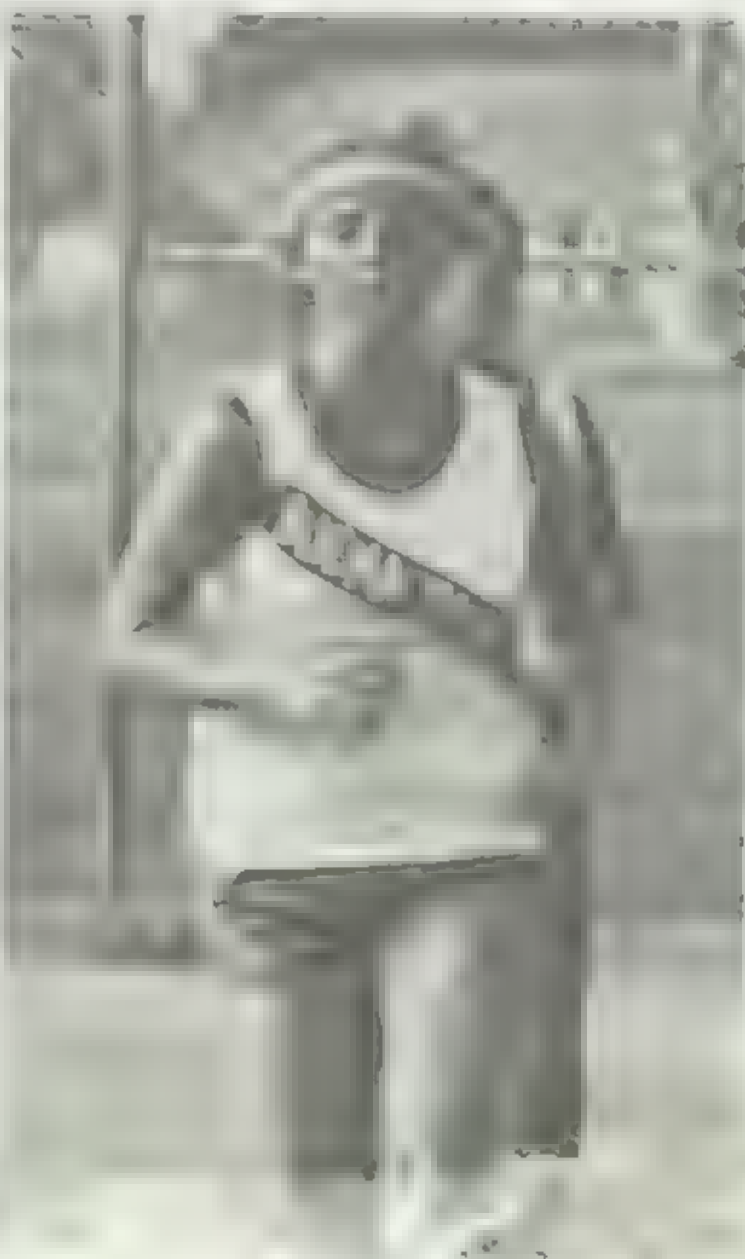

This team only had eight runners which was the fewest in the entire league. Coach Kramer stressed, "The more runners we have on the team, the better the team will be." They, however, ran exceptionally well, but finished the season with only a 16 record.

The team was led by Sophomore Brenda Schluter, who set a new school record by achieving a time of twenty minutes and twenty-seven seconds for a three mile course. She also made the All-Freeway League First Team by placing seventh in League Finals.

The team consisted of Senior Chris Sanchez, Juniors Leslie Churan, Annette Dunkin, Cheryl Fellenz, Christina Moore, Elizabeth Terriquez, Cindy Vejar; Sophomores Rosa Medina, Brenda Schluter; and Freshman Patty Blair.

"I was very proud to coach this team; they were really a great group of girls to work with," commented Coach Kramer. She also added, "I am really looking forward to next year, especially since this year's team consisted of mostly Juniors and Sophomores."

## Unity Transforms Girls Into Winners

For the girls Varsity Volleyball team, this season proved to be one filled with frustration and disappointment. "They were a group of hard working girls" stated Head Coach Ruth Morris. But the team soon discovered that hard work alone did not win ball games. The team played many matches that were very close, yet victory was always a little beyond their grasp.

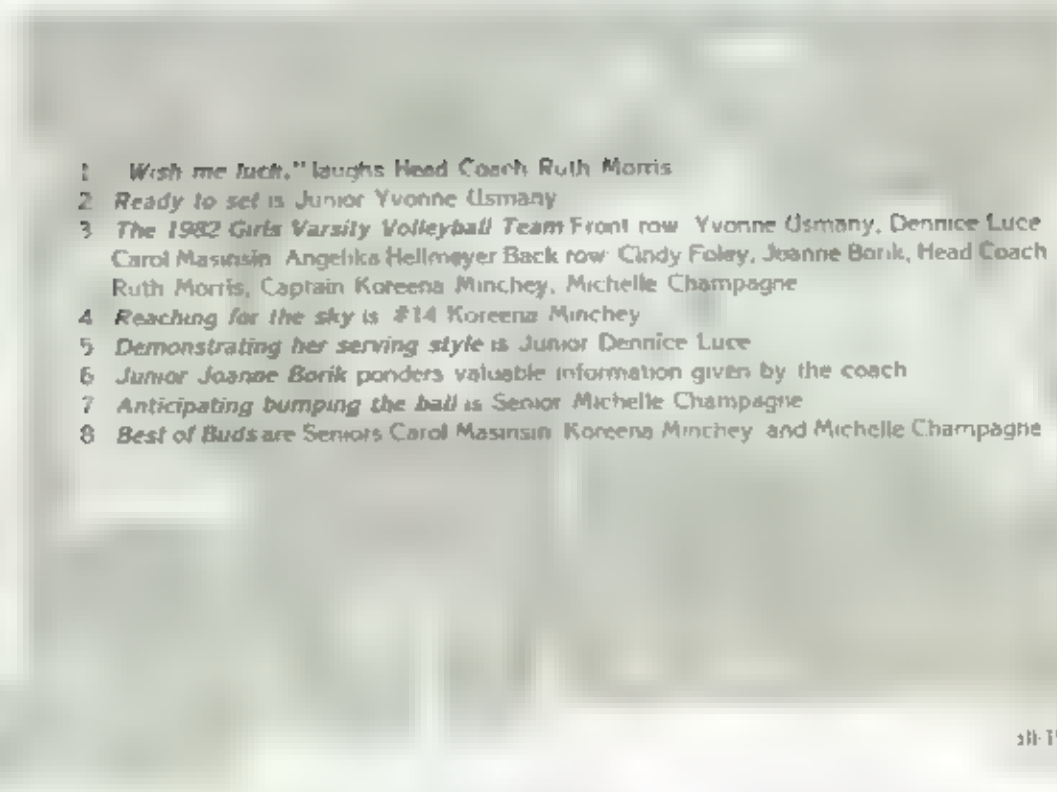

In spite of the teams disappointing season, two players were honored for their skills. Captain Koreena Minchey was chosen on the All League Team and Cindy Foley was given an Honorable Mention.

The ol' cliché "Winning isn't everything" became very real to the girls after experiencing close defeats, yet the team was able to experience victory in a different tone. Through the use of secret pals on the team, each member was able to give added encouragement to the others before each game. Throughout the season the girls varsity volleyball team established a bond of friendship and unity that even defeat did not weaken. In essence; though the team was defeated in volleyball play, they were winners overall.

## Junior Varsity Paints A Hopeful Picture

This season the girls Junior Varsity volleyball team was characterized by a large number of young players. Of the eleven team members nine of these were Freshmen. Yet inexperience did not deter this young Junior Varsity team. "We had a very young and enthusiastic team this year," stated captain Anne Standeford. "We really had a lot of fun."

With the aid of new coach Vicki Morris, the girls displayed their talents by finishing the season with a record of five wins and five losses. This put them in a very respectable third place in league standings.

Hard work was a major factor in contributing to the improvement of each team member. The potential which the Junior Varsity team displayed during the season, provides for the girls volleyball team a promising future.

## Racquetearing Females Look To The Future

Ending with a record of two wins and thirteen losses, the 1982/83 girls tennis team had a disappointing season this year. Both wins came against Santiago and Santa Ana Valley High Schools.

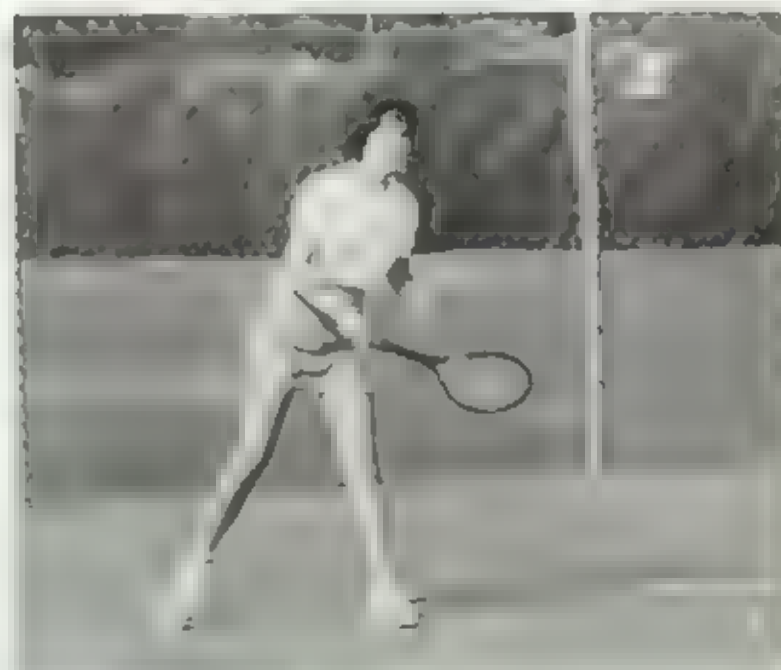

"This year was devoted to improving techniques and skills," said Coach Casey.

Next year's season looks to be a bright one as there will be many returning players with experience such as Junior Amita Lugo, Junior Sheryll Nguyen, Freshman Caroline Quirion, Sophomore Joanne Quirion, and Sophomore Amy Foust.

The number one player on the varsity team, Amita Lugo, added, "I hope the girls who were on the 1982-83 tennis team practice and are ready for next year, so we may achieve team unity as well as individual success."

## Varsity Basketball Shows Potential

One of the hardest working teams on campus this year was the Varsity Basketball Team. Although they achieved only a 1-9 League record and a 5-15 overall record, "Teamwork" was one main positive aspect.

The Coyotes began the year with four wins out of their first ten games. The team worked extra hard but as Troy Bull stated, "We just couldn't put the ball in the hoop." Their work finally paid off by winning the consolation award of the Santiago Tournament. "We are really a close team and had a great time, but we just didn't get the breaks other teams got", explained Senior Marcelo Bernardo. Another great thrill came when the Coyotes beat the cross town rivals, Sunny Hills, for the first time in six years.

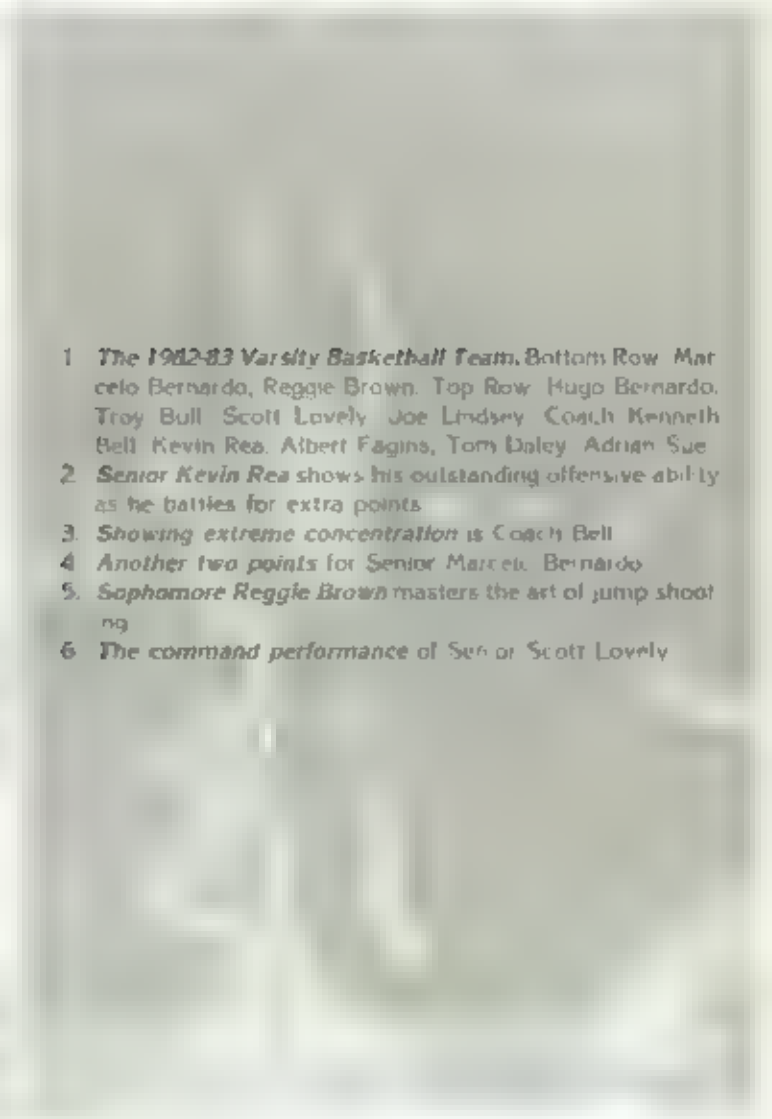

Creditable performances were turned in by sophomore Reggie Brown and Seniors Marcelo Bernardo, Scott Lovely, and Kevin Rea. The Coyotes' games started out strong but many, unfortunately, ended in defeat.

According to Coach Kenneth Bell, "We were one of the top defensive teams in the league, but our offensive inconsistency kept us from the top.

## Cardiac Kids Take Second In League

With the Coyotes Junior Varsity Basketball team calling it quits for another year, the team again did surprisingly well. They finished with second place in league.

The Coyotes, or as George Fairchild tagged them "Cardiac Kids", played well as a team. "Hardwork" and team commitment were big factors contributing to a successful year," said Coach Fairchild. He also added, "It was a real enjoyable year. The only regret I had was that I couldn't play everyone in every game."

One unusual thing about this year was the way the "Cardiac Kids" played. Most games started out awful, but the team often battled back at the end of the game to become the victors.

Players who earned credit for themselves were Peter Ybarra, Albert Dennis, and Omar Rodriguez who along with other team members almost captured the first place title.

The "Cardiac Kids" finally finished out the year with an 18-4 record as they lost 3 out of 5 games at the end of the season, but winning an exciting game against Sunny Hills.

# F/S Provides Stars For Future

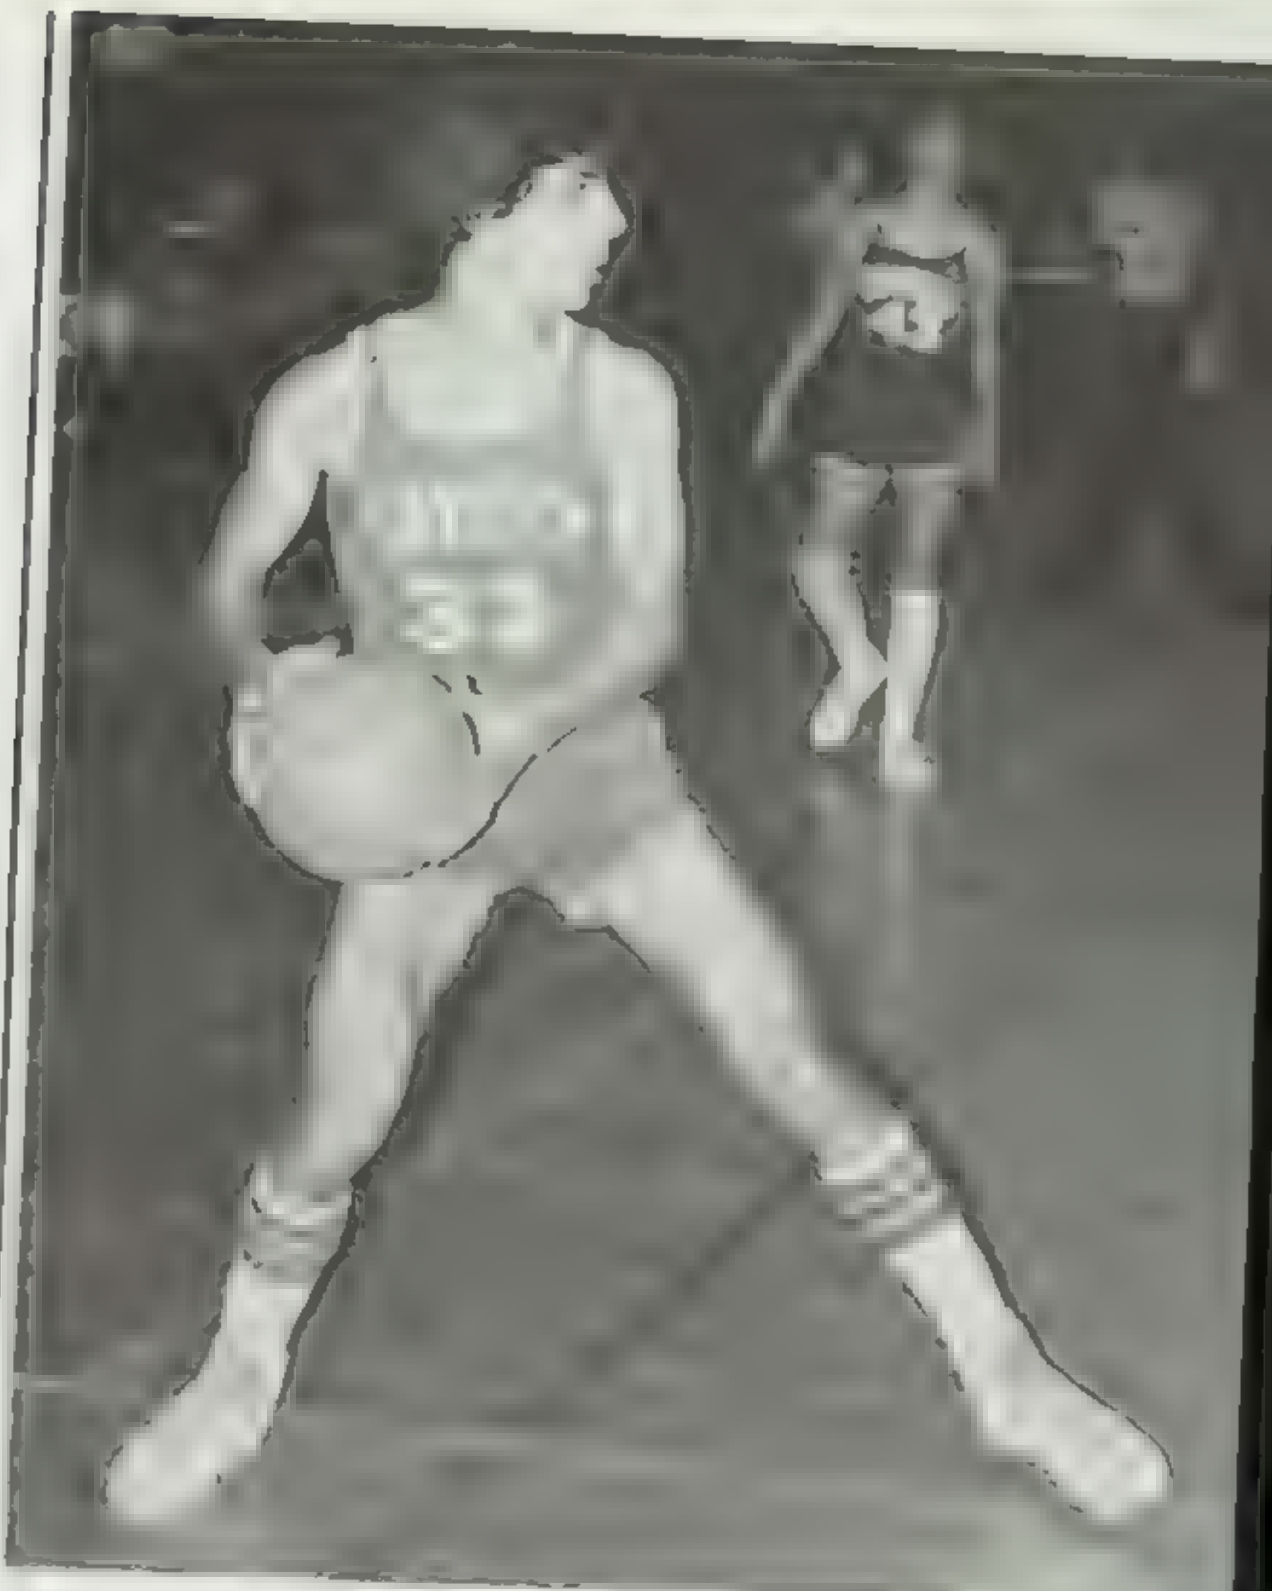

With a record of three wins and fifteen losses, the Frosh/Soph team finished the season looking forward to next year. Freshmen Joel Gomez, voted the Most Valuable player, averaged eighteen and one-half points a game. Freshmen Tony Toscano, voted as Most Improved player, was the leading rebounder with Freshman Mike Kotzin only two rebounds behind. Freshmen Tony Badal was the leading assist man on the team. The team also had three players over six feet tall: Kotzin at 6'6", Toscano at 6'4", and Freshman Dale McBride at 6'2".

Considering that the team consisted of mostly Freshmen and they played over their heads, they finished with an overall feeling of success.

Summing up the year, Coach Larry Aiken said:

This year's Frosh/Soph team possessed much potential and should progress into a fine group of young players for the upper level programs. The future looks bright for Buena Park basketball; of the fifteen players on the team, any five could have started at any one time.

## Girls' Basketball

# Girls Surpass Expectations

Led by Coach Paula Dobrowolski, the Buena Park Girls' Varsity Basketball team ended one of its most successful, and heartbreaking, season with a 13-7 record and a tie for third place in league.

The Coyotes started quickly in the season, winning seven games prior to league play and losing only three by a total of no more than 15 points. Thus, the team started league play with very high hopes.

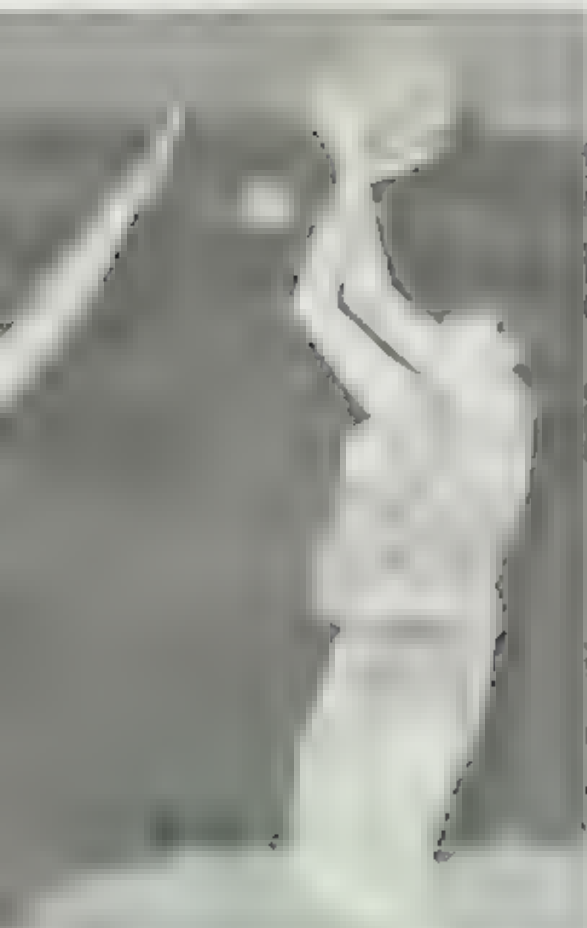

"I honestly didn't think we were going to do as well as we did," stated Senior Koreena Minchey. With their willingness to learn, they proved their own assumptions for the season false.

Leading the team throughout the season was All League Sophomore Stacy Rooney with an average of 18.2 points per game, All-League Senior Timi Fife with a 10.5 average, and Honorable Mention Junior Dennice Luce with an average of 9.8. In addition to being high scorer, Rooney broke the school's single game scoring record with a 37 point performance against the Indians of Fullerton High School.

The Coyotes were 5-3 and tied for second in league going into the last two games of the season. One additional victory would have admitted them into CIF for the first time since 1975; however, the Coyotes lost both of them and caused a play-off game against Fullerton to determine the third place representative for CIF. Unfortunately a defeat to Fullerton crushed their dreams of CIF and ended their season with an overall 5-5 record in league and with a tie for third place.

In retrospect, Coach Dobrowolski stated, "They were a hard working team and the best group of girls that I have ever worked with."

## JV Improves For Future

In their first year at Buena Park, coaches Anne Kruse and Kathy Powell guided their Junior Varsity Basketball team to a 7-3 league record and an overall mark of 12-4, thus capturing a third place finish.

With a total of only seven players, a third place finish seemed almost too optimistic. However, with hard work, they far surpassed their expectations.

Coach Anne Kruse stated, "They improved tremendously with each practice."

Another reason for their success is the fact that they worked well together. "At one time, we had lost three games and things weren't looking too good, but we started working well together and the victories just came," stated Freshman Silvia Mendez.

One of the victories was against the undefeated Fullerton Indians. This victory meant that the Coyotes never lost to a team more than once, including the number one ranked team. Contributing to these wins were high scorers Freshman Sylvia Mendez, Sophomore Susan Lux, and Junior Claire Calderone.

Overall, this year's much improved JV Basketball team leaves bright future for the girls' basketball program at Buena Park.

Coming off a brilliant season of 82 last year, the Coyote Wrestlers put together an even better season this year. Tournament placings were 1st at Hill Country, 1st at Midway, 1st at 9th, 2nd at 1st, 3rd at 2nd, 3rd at 3rd, 3rd at 4th, winning the Freeway League Title in the second year in a row, the team posted a 11-0 league record and a 3-0 overall record.

This year's team started the work in the middle of November and ended in the beginning of February. Head Coach John Craven, knew he had a good team, he just had to prove it, and prove it he did. The team consisted of five Seniors, six Juniors and two Sophomores. Coach Craven said "With so

many talented interclassmen, I'm looking forward to winning the Freeway League again next year."

In the League Final Tournament, nine Coyote wrestlers went into the finals. Five of them finished first and four finished second. First place was taken by Seniors Frank Riano 120 lbs, Darrell Lopez 141 lbs, Devin Bunch 158 lbs, Juniors Phil Sanchez 168 lbs, and Nelson Acevedo, heavyweight second place finishers were Senior Tony Mayan 135 lbs, Juniors were Jim Valenzuela 124 lbs, and Ed Aguilar 120 lbs, and Sophomore Ray Perez 115 lbs.

## JV's Destroy League

During the 1982-1983 school year Head Coach John Craven put together an awesome Junior Varsity Team. Due to many underclassmen on the Varsity Team, he had few to choose from, but with the excellent help from Assistant Coach Ralph Perez and Andy Varian, they made freshmen and sophomore wrestlers into Varsity wrestlers. With hard work and motivation the wrestlers improved their skills throughout the year and came out on top with the J.V. League Title. It marked the fourth straight league title as Coach Craven and his assistants have put together one of the best programs on campus.

The Junior Varsity Team captured second place at the Laguna Hills 5-way and the Buena Park 5-way League Champions were Sophomores: Tim Ambrozic 108 lbs., Robert Le 115 lbs., Ken Dagsher 135 lbs., Ron Kieler 141 lbs. Juniors: Gale Gallego 101 lbs., Joe Delcarmen 129 lbs., Jeff Lawhorn 148 lbs., Senior: Tom Lopez 122 lbs.

The Junior Varsity Team posted a 10-0 record in league competition. Coach Perez said, "These boys were one of the best bunch of kids to work with."

All the coaches were proud of the way the team wrestled this season and are looking forward to next year.

5 Three B.P. runners start the 100 yard dash.

Runners take your marks, get set, go! These are just a few words that one competing in a track meet might hear. This year's team heard these words fewer times than teams in the past due to the extreme storms early in the season.

With the team starting out small, it quickly grew to what the coaches thought to be very competitive. After the first two meets the team had fallen twice, but only to two very tough teams.

The coaching was divided into three parts, coaches Giokaris and White worked constantly with sprinters and hurdlers, while Coach Hirsch worked with field event persons, and Coach Cendes coached the distance runners. This staff made the team much stronger physically as well as mentally.

Before the league season started the team elected three captains. They were, Senior Gary Ledbetter, Junior Kevin White, and Junior Jim Valenzuela. The team selected these individuals for their ability

to lead the team.

This year's varsity team did not have any super stars as in the past. Rather, it was made up of hard working athletes who dedicated themselves to improving weekly. They pulled together as the season progressed and developed strength in their efforts as a team. Some performers who continually stood out were, Senior Eddie Carrasco in the distance races, Junior Kevin White in the middle distance races, Senior Gary Ledbetter in the hurdle races, Senior Don Lourenco in the sprint races, and Senior shot putters Scott Jennie and Mike Lafond consistently taking two of the top three places.

Coach Giokaris' goal was to help each athlete reach and develop a positive self-concept, realize what it takes to always do his best and ultimately help him reach his full potential. By the end of the season it was evident that the coach and his assistants had reached just that goal.

By Gary Ledbetter

Young, nervous, inexperienced, these are just a few words that described the Frosh/Soph track team at the beginning of the year.

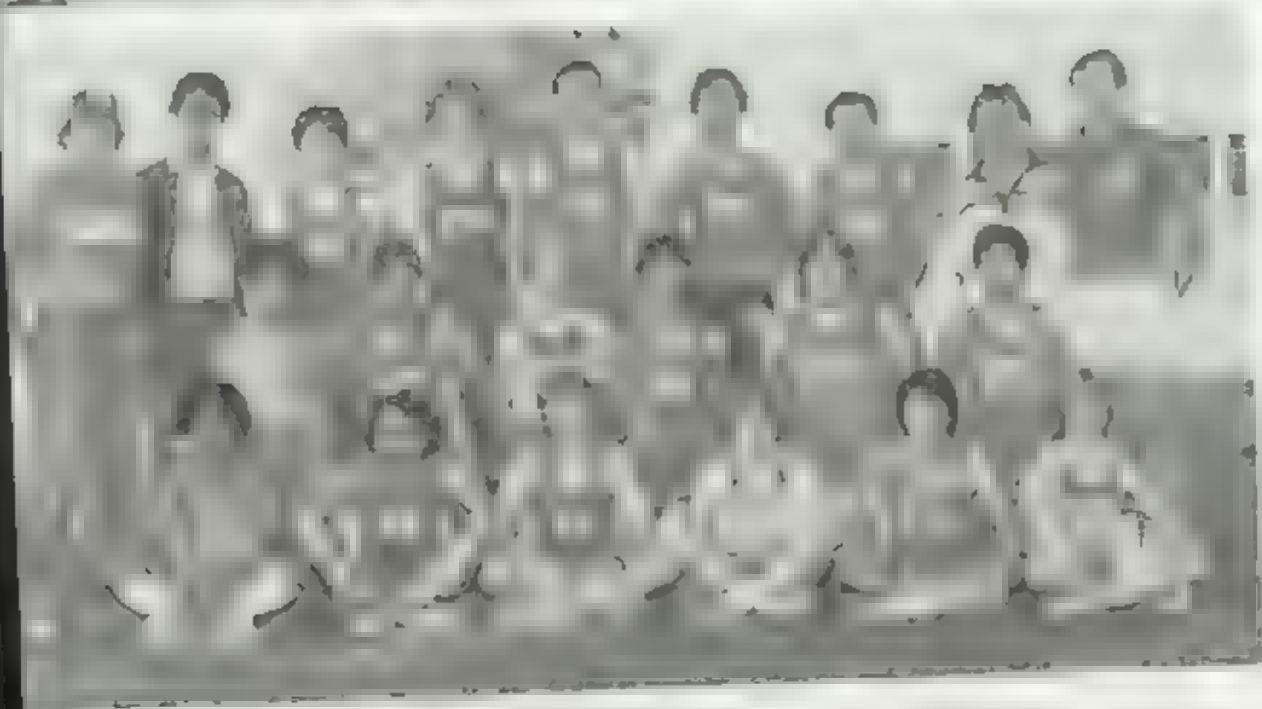

The team started out with about fifteen participants and after much recruiting the team was approximately thirty members strong. The Frosh/Soph team was practically all new runners who hadn't participated in track before. The team did however have some returning athletes who continued to shine throughout the season. They were Sophomores Greg Pusey, David Arambul, Steve Scardina, Jim Lynch, and Pete Ybarra. Newer members of the squad who assisted in many victories were Jim Studebaker, Craig Rachal, and Dale McBride who set a freshman triple jump record early in the season.

As the season went on the team developed

themselves. This showed the coaches and the older team members that the young team would grow and mature to fine athletes. These assets also showed the great possibilities of the team being Frosh-Soph League Champions.

The Katella Relays is where the Frosh-Soph Team showed what they were made of. The team finished in 5th place out of eighteen teams. Some of the teams competing were from the 4A division, thus making it an important meet in all the young members' minds.

Coach Giokaris was very proud to have had a chance to mold these young athletes into the fine people and performers they are. He also is looking forward to next year when these people will be performing on the varsity level.

## Young Tracksters Improve With Time

## Girls' Track Takes Off Running

Competing successfully is always the goal of most sporting teams. The 1983 girls track team did just this. With impressive wins over Magnolia and Troy the team was off and running

Rain during the month of March caused many track meets to be postponed and even cancelled. This bad weather made it practically impossible for the team to have a consistent workout schedule. This would be a setback in most situations but the girls kept up their spirits and continued to reach for their goals

The team was led to success by Shoko Kitazumi and Trecey Carrington, who continually stood out in the sprints. A new school record in the 330 low hurdles was set early in the season by Shoko Kitazumi. With the only senior on the team being Jackie White, the team was probably the youngest team in years

This year was a major year for learning and the young ladies seemed to be able to hold their own. It usually takes a long time to get so much accomplished, but it is evident that with what little they started out with, they obviously ended with style and outstanding performances all around

Consisting of only one Senior, eight Juniors, and nine Sophomores, the Varsity Boys' Swim Team once again ended a very successful season

Having such a young team was not a set back for the Varsity Fish, as they proved that hard work and dedication rather than experience can be the key to success

Led by Head Coach Ted Clark, the Coyotes practiced a grueling 5 hours a day to make up for their lack of experience

Due to this, the Coyotes obtained several outstanding performances. Sophomore Garth Majala in the Individual Medley, Senior Kevin Davis in the sprints, and Junior Rick Eastwood in the 500 Freestyle performed exceptionally well throughout the season.

Junior Ron Kim stated, "We were a good team considering we were so young."

Another reason for the success of this year's team can be attributed to the coaching staff

"This year's team wouldn't have been as good as they were without the help of the volunteer coaches," stated Coach Clark. The volunteer coaches consisted of Jon Machado, Alfred Guiral, David Petrosky, and Koichi Kitazumi. Although these coaches attended school and went to work, they found time to help with the swimmers

"The entire coaching staff deserves recognition because of the time and effort they put in," stated Coach Clark

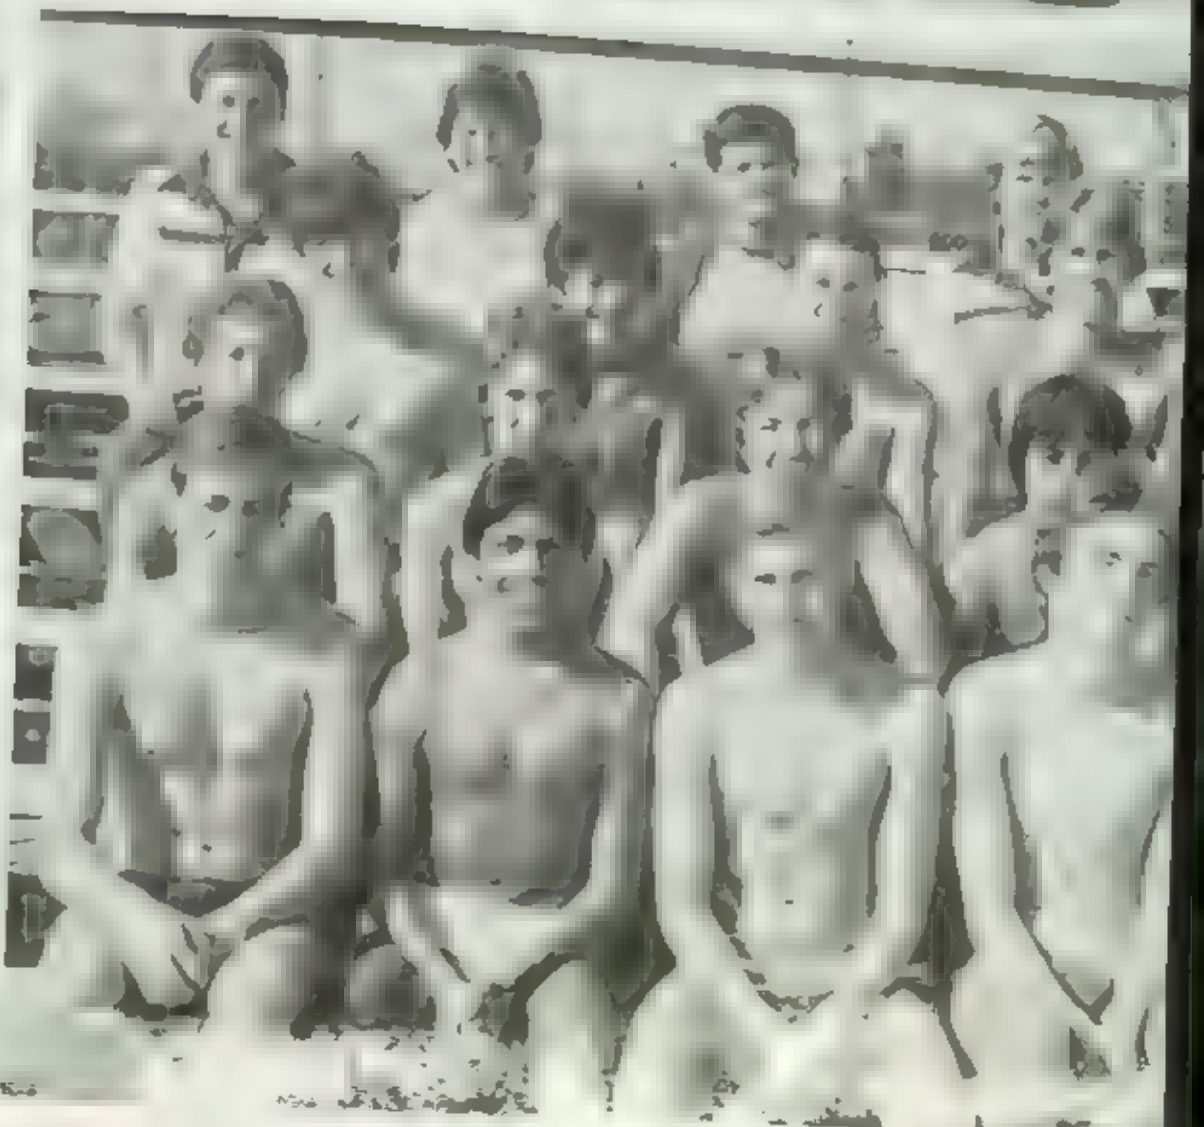

Together, the coaching staff and the team's outstanding dedication and hard work, caused yet another very successful season for the Varsity Swim Team

## Frosh/Soph Aims For Stardom

Led by Head Coach Ted Clark, this year's Frosh/Soph Swim Team performed brilliantly throughout the season. With constant improvement through each practice, the team was able to vault itself to being one of the best in league.

Coach Clark stated, "They were a good group of swimmers who improved day after day."

Leading this year's team were Sophomores Bruce Montgomery in the Breast Stroke, Richard Fierro in the 500 and 200 Freestyle, Scot Hickey in the 100 Freestyle, and Freshman Leslie McAdams in the 100 Freestyle.

Early in the season the Frosh/Soph seriously damaged their chance for a league title by losing to their arch-rival Sunny Hills Lancers; however, the defeat was well worth it.

We didn't beat Sunny Hills because we concentrated most of our talent in the varsity level, and with the varsity team winning, it was worth it," stated Sophomore Richard Fierro.

Asked the reason for their success, Coach Clark stated, "Their determination was the main reason."

Because of this success, the future for BP Swimming seems to be quite encouraging.

Sophomore Richard Fierro said, "We'll be pretty good, but hopefully we'll get even better."

Overall, with their determination, the Frosh/Soph Swimmers seem almost destined for stardom.

## Female Fish Display Skills

Opening the season with victories over Western and Magnolia, the Varsity female fish continued their victorious ways

Although the Junior Varsity lost their first meet with Western, they came back with a victory over Magnolia.

"We are a dedicated and determined group that works well together as a team," explained sophomore Kimberly Crandell, "I enjoy being a part of it very much."

Even though many of the team members and coaches were new, both the Varsity and JV teams spirit was tremendous!

"We are a great team and we have a lot of fun together," stated sophomore Jennifer Barnes. Sophomore Donna Seeger stated, "It is a very unique experience."

Not only did the teams practice every week day at six-thirty in the morning, but they also practiced after school, on weekends, and sometimes on school holidays along with other teams on campus.

## Unity And Experience

# Team Predicts Championship

With a 10-0 pre-season record, the Varsity Badminton team began their successful season

Through long, rigorous practicing, the team perfected their agility and endurance for the challenging season. Led by their dedicated coaches, Miss Casey and Miss Tafoya, Varsity Badminton demonstrated excellent skills, while also showing their ability to work together as a team.

The co-ed team, which consisted of seven girls and eight boys, captured many wins. With only two graduating Seniors from the previous year, the 1983 Varsity team had a lot of experience. It was through this talent that Miss Casey said, "We have an outstanding team this year, and we expect to win the League Finals and then go to CIF."

## Young Players Possess Excellence

Many dedicated athletes participated in this year's 1983 Junior Varsity Badminton team. The twenty member team was made up of seven Freshmen, nine Sophomores, and four Juniors. These athletes, which shined with excellence and enthusiasm, supported one another throughout their challenging season. They conquered many opponents.

The J.V. team wouldn't be complete without their talented coaches: Miss Claudine Casey and Miss Michelle Tafoya behind them all the way. Miss Casey was quoted as saying, "We have an outstanding, young team this year and I look forward to next year when some of

this year's J.V. players will be able to play on the Varsity level.

The J.V. team had something to inspire them with the Varsity team being the 1982 CIF champions. The Varsity had showed them what it takes to be #1, and the J.V. wanted to show that they could again be champions of their league. They set out by practicing two to three hours every day and developed their technique along with achieving team spirit.

Beginning the year with a new head coach, a new schedule, and their hopes of success, the Varsity Baseball Team encountered problems early in the year. Plagued by storms, which rained out much of the early season, the team had trouble getting underway. But despite their problems, the team's talents improved. Said Head Coach Frank Arena, "They have shown tremendous improvement since the start of the year."

The team had no lack of talent. In fact, the Coyotes could possibly have had more talent than any other team in the league. Arena stated, "We've out hit every team we've played (so far)."

Rey Hernandez, junior, gave another point of view, "We get the guys on base, but we just don't score them." "We aren't able to cash in on our opportunities," said Senior Bill Janeshak.

Leadership was provided by Captain Bill Janeshak, and good examples were also set by Juniors Rey Hernandez and Ruben Gonzalez, as well as those set by Arena. Frank Arena, head coach, in his first year of coaching at Buena Park had but one thing to say at the start of the season, "We're optimistic!"

Yet, as the season went by and each new game was played improvement became evident.

Coach Ortiz proved to be a great help this year due to his past experiences as

both a professional player and a semi pro coach. Although the team consisted mostly of inexperienced players they worked together well and with the leadership of Captain Omar Rodriguez and Co Captain David Sepe, unity and dedication were also achieved. This years team consisted of, Mark Miller, Matt Merrow, Tony Bidall, Oscar Bocanegra, Omar Rodriguez, David Sepe, Loren Gee, Paul Bunch, Eddie Silva, Joe Newcome, Robert Torrez, and Stan Perry.

## J.V. Baseball Swings Into Action

#### 1983 .. Girls Softball .. Victory

If ever three terms were interchangeable, this year was the time. Following in the tradition of last years team, this years girls continued in excellent play. The main strength of the team lied not only in their outstanding abilities but in their unity and team spirit.

This year each position was filled by a quality player who exhibited finesse and who demonstrated continuous improvement throughout the season.

Even above this, the team showed a tremendous amount of pride, spirit, and unity. It is these three factors that allowed them victory over their opponents. Yet, these ingredients were not obtained easily. They were built on a foundation of constant encouragement towards each other. This led to a

growing confidence that strengthened as the season progressed.

This season our team has the ability to go far in league play. I'm impressed with the potential exhibited by each player," comments Coach Morris. Echoing this sentiment, pitcher Joanne Borik states, "With such an outstanding team we should not only take first in league but also go far in CIF."

The 1983 girls softball team was not only marked by practice and hard work but was enhanced by the humor and wit of the coach. This provided a needed balance to sustain them through a successful season.

1983 .. Girls Softball ... Victory ... A year to remember

A. N. Minchev

**1983 Varsity Softball:** Front Row: Laura Nalepka, Kim Robinson, Claire Jackson, Timi Fife, Leslie Churan. Middle Row: Linda Morales, Mary Turner, Koreena Manthey, Christina Hernandez. Back Row: Yvonne Usmany, Joanne Borik, Lin Langlois, Marcy Booth, Denise Luce. *Wishing she had a calculator, Coach Morris figures how many runs the team just scored.*

- *'Hit this pitch and I'll deck you!' shouts Freshman Kim Robinson.*
- *Inspiring the team to victory, Junior Denise Luce gives a high five.*
- *"I wonder if this is how Reggie Jackson got his start," dreams Junior Yvonne Usmany.*
- *Junior Joanne Borik studies the signals for her next pitch.*
- *With strength and sheer will, Junior Leslie Churan prepares to smack the ball.*
- *"What's going on up there?" questions Senior Timi Fife.*

## Girls Softball Creates A Year To Remember

If one phrase was used in order to describe the 1983 girls Junior Varsity softball team this year, "action packed" would be it. This was due largely to the explosive hitting power exhibited by the Junior Varsity team. With each inning the scores multiplied for the Coyotes as they demonstrated their ability to render the opposing pitcher's attacks ineffective. Another factor contributing to this "action packed" season was the team's effectiveness in carrying out defensive maneuvers. Each hit afforded the opportunity for the team members to display their skills in executing proper plays.

Though inexperience was an inherent prob-

lem of the team, it did not undermine their effectiveness or cohesive nature. The coach recognized this to be a problem early in the season and worked with the team accordingly.

"This year's Junior Varsity softball team is loaded with talent. The offensive and defensive aspects of our game are superb. Yet, with nine underclassmen, experience is something they all need" stated Coach Paula Dobrowolski.

Because of the large degree of inexperience, the extra effort caused the team to grow and enabled meaningful friendships to develop.

By Koreena Minchey

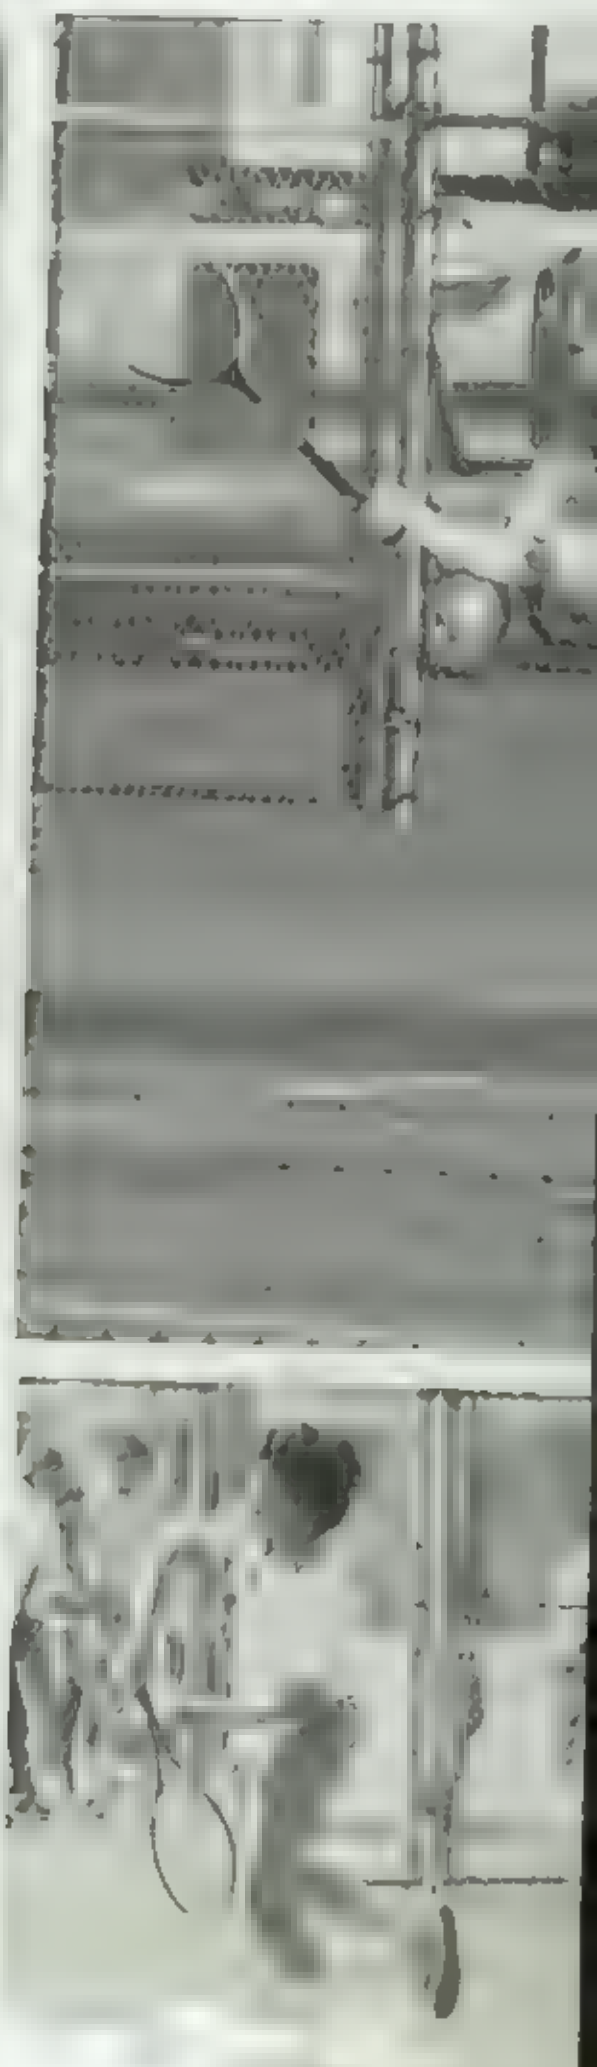

- 1 Junior Anne Standeford whizzes another fast ball past the batter.
- 2 "What do you mean you'll put me in next inning? It's the bottom of the seventh" questions Sophomore Maria Force.
- 3 "I'd like to get hold of the guy that said coaching would be easy", threatens Coach Dobrowolski.
- 4 Junior Varsity Softball Team. From left: Macy, Lisa, Jackie Vega, Michele Martinez, Paula Sahr, Middle: Karly Smith, Tina Campbell, Lynette Haught, Tara Rodriguez, Back: Maria Force, Amy Foster, Kim Stadlander, Lolaine Molino, Shannon, Jennifer.
- 5 Displaying her rocket-like accuracy Junior Minelle Martinez launches the ball towards home plate.
- 6 "I'm sure glad they aren't counting on me to hit a home run" gloats Paula Sahr.
- 7 With an intimidating look, Sophomore Lynette Haught dares the runner to advance.

# Action Packed Play Leads To Outstanding Season

# Players Construct A Competitive Team

One sport which represents Buena Park High School every school year during the spring season is tennis.

When BP tennis began this year, the upcoming season and the future looked bright. One major reason for this hypothesis was that there was one of the best lineups of players out for the team than in the past few years with twenty-eight, ten freshmen, five sophomores, ten juniors, and three seniors.

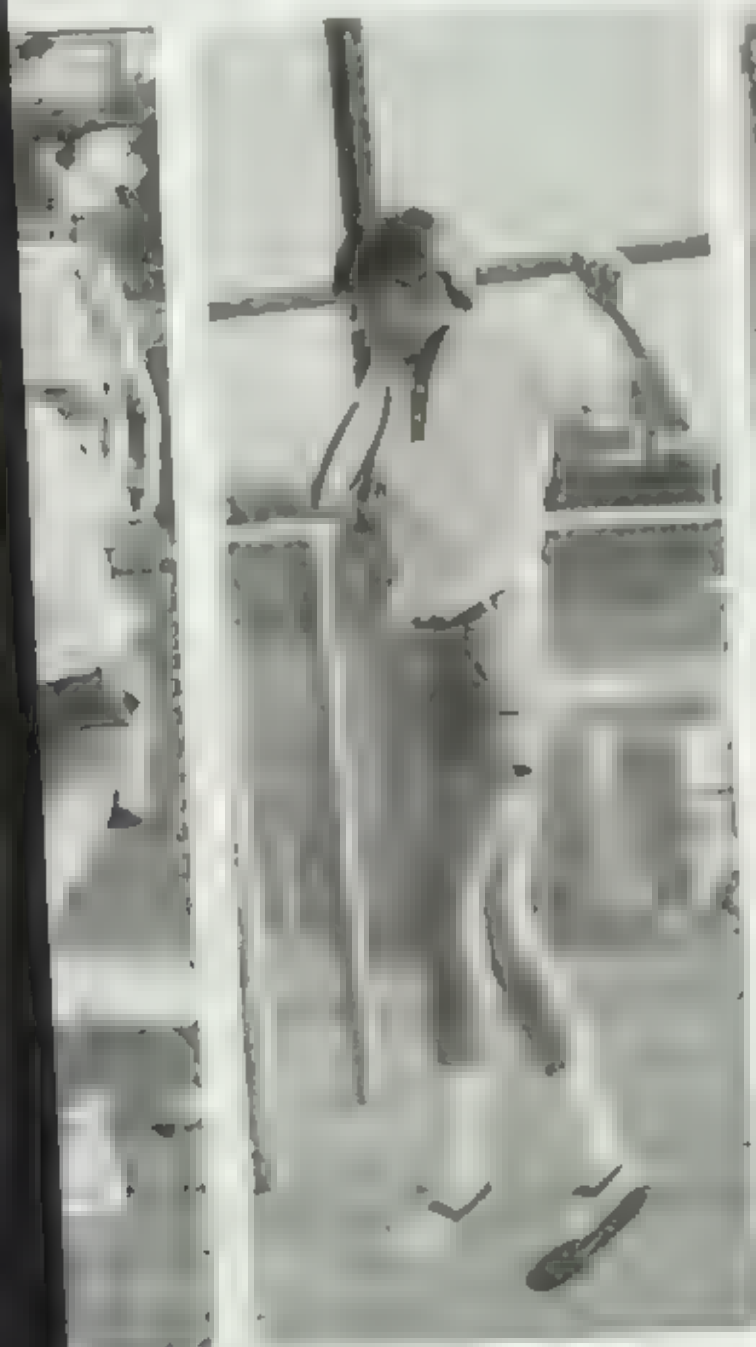

There were merely three returning Varsity players who led the team throughout the year. They were Senior Miguel Siliceo, Senior Greg Figueroa, and Junior Rodney Penrose. These fine players performed well standing all year long and proved to be the top players of the team. The young Varsity team was inexperienced but had plenty of strength to construct a competitive team.

An added note on Miguel Siliceo is that he is one of the best overall players in league. As Coach Ken Benisek said, "We have one of the top singles players in all of Freeway League."

Coming off a good pre-season the team was hoping to do well in the tough Freeway League.

The 1983 tennis team were supposedly expected to be easy competition for other teams, but they certainly surprised many.

by Greg Figueroa

1. Exhibiting why he is number 1, Senior Miguel Siliceo executes a perfect lob, as usual.
2. With his eye studying the ball, Freshman Andre Daigle hustles to the net.
3. Displaying his form is Junior Rodney Penrose as he hits the ball smoothly over the net.
4. Senior Greg Figueroa goes airborne as he crushes another awesome forehand shot.
5. Pounding out a hot serve, Freshman Roger Hernandez aces his opponent.
6. Buena Park's 1982-83 Tennis team (left to right): Varsity, top row, Roger Hernandez, Miguel Siliceo, Andre Daigle, Greg Figueroa, Rodney Penrose, Wilhem Gomez; Junior Varsity, middle row, Rey Masinsin, Brian Glahn, Brian Bell, Richard Lane, Robert Nelson, Joe Smith; bottom row, Todd Boyd, Michael McDargh, Tom Riggs, Donny Hatcher, Jami Sindelar, Tony Giourgas, Chris Calvin, Jeff Jensen.

To the above Executive Board Members and Advisors I would like to offer thanks for all the support they have given me throughout the year. The representatives listed below are likewise thanked for all of their outstanding performances, abilities, and endless hours of help.

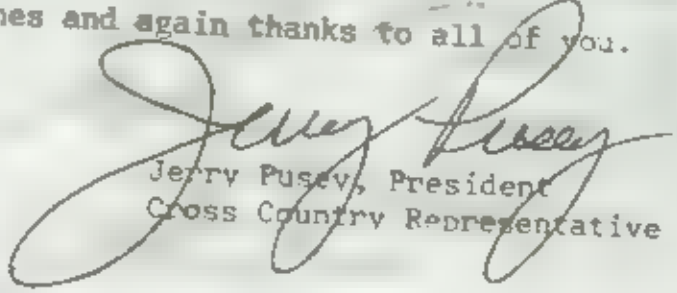

We strive to better athletes financially and the school in general. This year we will again promote an Athletic Scholarship to a senior boy and girl. We plan to make this an ongoing project.

To the class of 1983, I congratulate you and wish you the best in the future. I would also like to thank all of the lower classes for their support and cooperation.

# PRODUCER

**Michael Lafond**  
Editor-in-Chief

"I can't believe we finished the whole book!" said Senior Michael Lafond, Editor-in-Chief of the 1983 Los Coyotes. "It was so much more work than I had expected."

Michael has participated in many activities since his Freshman year at LHS. Remembering among them are being captain of the Varsity Football team, a 3 year letterman in Track, a National Mark Letter of Commendation Winner, a Bank of America zone winner, and Head Theoretical Technician. Michael has also been Editor of the news page for Four Prints, and he earned a Gold and Scroll Gold Key. His previous experience in publications stems from being the 1982 Los Coyotes Business Manager.

Said Michael of the yearbook, "I am positive that this year's book is going to be the best ever. It has to be in the Class of '83's."

**Michelle LaPierre**  
Associate Editor

# ASSOCIATE PRODUCER

"My Senior year took much more time and dedication than I'd ever anticipated, yet it was all worthwhile", stated Senior Michelle LaPierre. Michelle has attended Boone Park for four years and during this time has been involved in many clubs. Besides being Associate Editor and Head Photographer of the yearbook she is also Treasurer of both Dance Productions and Movie Productions and is also an active member in speech. Keeping busy seemed to be what Michelle enjoyed most. She dedicated much spare time working along with Mike Lafond to help create what they hoped would be the best book ever. Michelle explains, "It really has been difficult meeting my time throughout the year, but staying up until four-thirty in the morning to meet deadlines does have it's advantages too!"

# DIRECTOR

"It is a constant source of amusement to see how each year book new staff comes up with such creative and original ideas for the yearbook," Advisor Jack Orme observed as he completed his third year as advisor to Los Coyotes. "I think this book is special in that it presents an entirely new layout style plus a unique approach with all the special effects, especially in the use of art work". Orme has previously worked with staffs in Tulsa, Oklahoma before taking over the publications position at Lowell High School in 1980. A native of Arkansas, he completed his Master's degree at the University of Arkansas.

In addition to being advisor to the yearbook, Orme also is the advisor to Four Prints. When asked what school and what year he thought was best, he enthusiastically answered, "Boone Park High School and this school year!"

**Kevin White**  
Assistant Editor

# ASSISTANT PRODUCER

Selected as the 1984 Los Coyotes Yearbook Editor-in-Chief, Junior Kevin White is an exceptional athlete in Cross Country and Track, as well as a student with many achievements.

Kevin was the 1981 Fresh-Soph and the 1982 Junior Varsity League Champion in Cross Country. He earned a Varsity letter in both Track and Cross Country, where he ran in CIF for two years.

Besides being on the honor roll for three years, Kevin was the first president of the newly established Backpacking Club. As far as next year is concerned, Kevin is planning on making the 1984 Los Coyotes the best book ever.

Being Editor-in-Chief of the 1984-85 annual will be a challenge to Kevin, but he feels the best that it will be the "toughest yet."

# A SPECIAL THANK YOU

When I started this year off, it seemed like forever until this book would be finished as we'd all be able to see what we were so anxiously awaiting for: **LOS COYOTES 1983**. Then the first deadline came and went, and along with it a third of the book. This was in December of '82, and we Seniors all had to have our **WNF'S** (Will Never Forget's) done (that was really hard). After that deadline the year just flew. Everything seemed to come in at once and it all needed my immediate attention.

I'd like to thank all of those friends that stayed and helped on those long nights when we had so much to do: **Fig**: The eternal optimist ("It's cool"); **Kevin**: Next year's leader (Jam those tunes); **Jeremy**: The

sleepless **Val** (Here Chula Chula), and finally **Michelle**: My close and loyal associate, the one that I could always count on (Thanks for everything).

I'd also like to thank everyone else who contributed to our book: **Albert & James**, **Randolph T. Boyd**, **Raymond B. Logan**, **Jerry Fullerton**, **Josten's/American Yearbook Company**, and anyone else that I might have forgotten. Thank you all for helping to put out this yearbook. Also, thank you **More** and **Dad**, for all the love and support.

Michael Lafond  
Editor-in-Chief

## In Remembrance

March of 1983 saw the passing of a very special person. Betty Whitelock, a long time friend and employee of Buena Park High School, died this year, and we would like to remember her in a very special way. Betty Whitelock was a dear friend of the yearbook staff as well as the whole campus. Her memory will always occupy a special place in our hearts.

Betty Whitelock

The first part of the paper discusses the importance of the study and the objectives of the research. It also mentions the scope of the study and the limitations. The second part of the paper discusses the methodology used in the study. It mentions the data sources and the statistical methods used. The third part of the paper discusses the results of the study. It mentions the findings and the conclusions. The fourth part of the paper discusses the implications of the study. It mentions the policy recommendations and the future research.

Dear

Thank you for the letter in which you  
asked me to let you know especially when  
you are on the road! (I am on the road)  
I will be on the road again, but I will  
be sure to continue the story in touch  
with you. Love

Hi, Hall,

It, sure is, had a great summer  
chose to see you at the beach on  
Mondays. You should have a much  
greater joy at your home again it  
was when! Did, was so big, fast as  
what? Sure, well, with you, being  
one over, it's summer! A big, great  
cut, day, a good, looking. Don't  
cutly, to summer. Oh, yes, when going to have  
a party, this summer, I'll be sure to  
invite you "K". Well, you are in summer.

Love Ue  
Heidi
